The annual consecutive numbers allotted to the remaining Police Orders since 1936 are hereby cancelled and they are numbered from 2 to 180, respectively. Fresh Police Circular Orders which would be issued hereafter will bear chronological numbers after Police Circular Order No.180.

These Orders should be removed from the *Police Gazette*, cut to size and placed in this book seriatim. The index should similarly be cut and pasted at the relevant places in the index pages of the book.

During inspections of the posts, the Inspecting Officers should invariably look into this item of the work and ensure that this is maintained properly.
