

**•POLICE CIRCULAR ORDER No. 114**

Translation of  
F. I. Rs. in  
S.R. cases to  
be made in  
S.P.'s Office.

There appears to exist a practice in most districts that the Thana Officers while sending F. I. Rs. in Special Report Cases sent English translations of the F. I. Rs. to the Superintendents of Police which is not a healthy practice in view of the fact much time is lost in this work and consequently delay is caused in visiting the spot. This practice should stop forthwith and in future English translation should be prepared in S. P's Office on receipt of the F. I. Rs.
