

POLICE CIRCULAR ORDER No. 115

Submissions of original case diary to the Court of Sessions.

Public Prosecutors are finding it difficult to prepare the case in the absence of case diaries as the original case diaries are forwarded to the Court of Sessions and are not always available to the Public Prosecutors. It is, therefore, ordered that the Inspector's copy of the diaries should be made available to the Public Prosecutor conducting sessions cases and other important cases. The copies of diaries should be carefully compared with the original diaries before submission to the Public Prosecutor/Court to see that no papers are missing.

The Public Prosecutor will return the copies of case diaries, soon after disposal of the case.
