

POLICE CIRCULAR ORDERS No. 129

The Accountant-General, Orissa, Bhubaneswar in his letter No. TM-1-39-1862, dated the 13th November 1959 to the address of the District Magistrate, Mayurbhanj (copy enclosed) requires that all corrections whether in the inside page of the Bill or on the upper page should be authenticated by the drawing officer setting his full signature with date against each.

It is, therefore, ordered that the provisions in S. R. 98 (iv) of the Orissa Treasury Code, Vol. I as amended in Finance Department notification No. 3484-Tr.-127/52-F., dated the 18th February 1953 should be strictly followed in future by all drawing officers with a view to guard against fraud and misappropriation of Government money.

Number of such authentications can be minimised if the accounts staff are instructed to prepare the Bills correctly.
