

### **POLICE CIRCULAR ORDER No. 57**

Custody of bulky property seized by Police—Instructions of.

Instances have come to notice in which articles taken charge of by the Police but kept outside the malkhana on the ground that they were too bulky to be kept inside have been subjected to theft.

While articles like bullock-carts or large bales of cloth or yarn or very large quantities of grain cannot be accommodated in the malkhana, there seems to be no reason why those of smaller bulk should be kept outside.

It is hereby enjoined upon all concerned that articles in Police charge should invariably be kept inside the malkhana while bulky articles with proper identification marks may be left in the zima of reliable gentlemen.
