

POLICE CIRCULAR ORDER No. 64

It would appear that bullock-cart traffic which is of considerable magnitude in this State is not being properly controlled, with the result that it has been a nuisance to other users of the road and has even caused serious accidents. All officers are hereby directed to pay particular attention to this matter and see that cartmen infringing the rules of the road are prosecuted under the relevant laws.

Control of
cart-traffic

2. Some of the provisions of the law are given below :—

- (i) The Indian Highways Act and Rules
- (ii) Section 34, Police Act V of 1861
- (iii) municipal Act and by laws
- (iv) Sections 283, 299, etc, I. P. C.
