

POLICE CIRCULAR ORDER No. 7

Unauthorised
electrification
of
Government
buildings by
private
companies.

Instances have recently come to notice in which electric installation have been carried out locally in Government buildings by private Companies. Attention is, therefore, drawn to rule 1126 (c) of the Police Manual and Superintendents of Police are requested to restrain, in future, execution of such unauthorised electrification locally or privately to avoid further complaints from the Electrical Department.
