

## POLICE ORDER No. 65

The following is published for general information :—

Publication of the details of persons dismissed or expelled from Government service in the *Orissa Gazette*.

A few instances have come to notice recently in which the details of persons dismissed or expelled from Government service have not been reported for publication in the *Orissa Gazette*. In this connection, it is pointed out that in the following cases, the required particulars in respect of both permanent and temporary executive and ministerial officers and all establishment menials should be furnished to the Assistant Inspector-General of Police in the form prescribed by Government in their Home Department letter No. 3610-28, dated the 9th April 1938 and No. 324(60)-A, dated the 27th February 1950, for publication in the *Orissa Gazette*.

(a) Government servants convicted of offences involving moral turpitude or persons who have been dismissed from service because of such offences.

(b) Government servants expelled (discharged) from services on account of misconduct of any serious offence amounting to dismissal ; (ordinary discharge such as due to termination of the post, resignation, etc., do not preclude a person from re-employment).

(c) Permanent or temporary incumbents deserting their posts under Government (which delinquency normally results in dismissal or involved in subversive activities, or who are likely to be disloyal and to abuse the confidence placed in them by virtue of their appointment).

2. The detailed instructions outlined in 'Book Circular' No. 11, issued under Government of Orissa, Home Department's letter No. 8697(34)-A., dated the 19th September 1947, regarding the verification of character and antecedents of Government servants before their first appointment should be strictly observed in all cases, and the Heads of all Offices are directed to ensure the proper maintenance of the Register in the prescribed form for recording the particulars of Government servants who are dismissed from service or expelled from it, for future reference in cases of new appointment.
