

POLICE ORDER No. 76

Orissa Police
Sports Fund.

The annual grant which Government makes for the athletic clubs in the Police Department is entirely distributed amongst the districts. O.M.P. Battalions, P.T.C., C.I.D., G.R.P., and Transport and Signals. No. part of this grant is utilised for the Central Sports Fund. This grant however is very insufficient to meet the requirement for the physical and athletic development in the Police force. It is therefore, necessary to augment the Government grant in the districts and establishment and also to build up a Central Fund for financing the State Police meetings for games, sports and athletics. The field for athletic competition and for games such as hockey and football have been extended for competition amongst the State on an all India basis.
