To

All Heads of Police Districts / Establishments/ Vigilance (Except Bns.)

Ref.: State Police Hdqrs. letter No.8401/Pers.I dtd 18.02.2025.

Sub: Publication of Final Gradation List of Havildars of District Cadre as on 05.08.2025.

Tentative Gradation List of Havildars as on 13.02.2025 was published vide letter under reference. In the said Tentative Gradation List, the inter-se-seniority of Havildars who were continuing in the cadre before the publication of the Odisha Police Service (Method of Recruitment and Conditions of service of Constables) Amendment Order, 2023 was fixed as per the criteria mentioned below.

1. In accordance with the Date of Passing D.I.C. Training.
2. If date of passing is same, Service Seniority i.e. Date of Appointment as Constable is the criteria for fixation of inter-se-seniority.
3. If date of appointment as Constable is same, Marks secured in D.I.C. Training is the criteria. Havildars securing more marks have been placed higher. However, Havildars passing under consideration though higher marks will be placed below those who passed on merit.
4. If D.I.C. marks are same, the date of birth (elder will be placed higher) is the criteria.
5. If date of birth is same, date of officiating as Havildar will be the criteria for fixation of inter-se-seniority.

Further, the inter-se-seniority of remaining Havildars who have undergone DIC Training as per new Recruitment Rules was fixed as per the criteria prescribed under the Odisha Police Service (Method of Recruitment and Conditions of service of Constables) Amendment Order, 2023, as mentioned below.

xxx (2) The *Inter se*-Seniority of Havildars in the State Gradation list shall be determined in the following manner.

- i. the *Inter se*-Seniority of Havildars shall be determined according to the date of passing Drill Instructors' Course of Training (DIC Course of Training) conducted by the Training Centre or Institute;
- ii. among the Havildars who have passed the Drill Instructor's Course training on the same date, seniority will be based on the marks obtained by them in the Drill Instructor's Course Training in descending orders of Marks secured by the Havildars;
- iii. if same number of marks are secured by more than one Havildar in the Drill Instructors' Course of Training examination, date of appointment as Constable will be the deciding criteria. The senior in service shall be placed higher in the gradation list; and
- iv. if the date of appointment is same in respect of two Havildars, the older in age will be senior to the younger Havildar on the basis of the date of birth. Xxx

In order to finalize the Gradation List, objections / suggestion for correction / omission from Havildars and respective Districts/Establishments received at this Hdqrs. were examined and complied.

This is to intimate that 66 Havildars who had undergone DIC Training during the year 2011 have raised their objections regarding fixation of their inter-se-seniority as per the date of publication of result of DIC Training by the concerned Training Centre on the grounds that during the year 2011, 3 (three) batches had undergone DIC Training in 3 (three) different Training Centers i.e. PTC, Angul / UPTTI, Bhubaneswar/ PTS, Nayagarh. The Training was commenced simultaneously in these Three Training Centers but the result was published by the respective Training Centers in different dates. Since, the date of passing of DIC Training is treated as the date of publication of the result of DIC Training by the Training Centre, they have been placed below the Havildars whose result was published earlier than their Training Centre.

The matter was referred to the I.G. of Police, Training, BPSPA, Odisha, Bhubaneswar to clarify whether the Havildars who have undergone DIC Training in different Training Centers shall be treated as one batch for fixation of their inter-se-seniority according to the service seniority / marks secured by them in the final examination of DIC Training. It was also solicited as to whether the earliest date of publication of DIC Training result i.e. 16. 07.2011 shall be treated as deemed date of passing DIC Training for those whose result was published later.

The I.G. of Police, Training, BPSPA, Odisha, Bhubaneswar has clarified as communicated in OSWAS file No.DP-PERI-GRDN-0001-2025 that the Havildars who have undergone DIC Training during the year 2011 in 3 (three) different Training Centers

shall be treated as one batch for fixation of their inter-se-seniority by giving deemed date of passing DIC Training as 16.07.2011 as the Training was conducted simultaneously in 3 (three) Training Centers w.e.f. 15.04.2011.

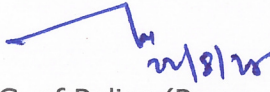

Accordingly, while finalizing the State Gradation List of Havildars, the inter-se-seniority of Havildars who have undergone DIC Training during the year 2011 have been fixed taking all of them as one batch with date of passing / deemed date of passing as 16.07.2011.

Similarly, the inter-se-seniority of Havildars who had undergone DIC Training during the year 2002-2003 has been fixed taking all of them as one batch with date of passing/deemed date of passing 28.02.2003 i.e. the earliest date of publication of DIC Training Examination Result.

Basing on the principles as mentioned above, the State Gradation List of Havildars has been finalized and published and circulated hereby for general information.

All Havildars of District Cadre presently serving in your Districts / Establishment may please be advised to visit Odisha Police website i.e. www.odishapolice.gov.in to know their position in the State Gradation List.
