Tender Opening and Evaluation of Tenders

5.1. Opening of Tenders by the Authority

5.1.1. Opening of First Cover of all Bidders and evaluation to determine qualified Bidders by the Authority:

5.1.1.1. The Authority will open/unlock the First Covers of all Bidders uploaded through e-tendering system

5.1.1.2. The Authority will verify and confirm the receipt of EMD Declaration for all Bidders who have uploaded the tenders. The Bidders' names, the presence or absence of earnest money deposit (amount, format and validity) the uploading of qualification information and such other details as the Authority, at its discretion, may consider appropriate will be announced at the opening.

5.1.1.3. The Authority will prepare minutes of the tender opening.

5.1.1.4. The Authority will evaluate and determine whether each tender (a) meets the eligibility criteria accompanied by the required earnest money deposit and

meets the qualification criteria stipulated in Section VII. The Authority will draw out a list of Qualified Bidders.

5.1.2. Opening of Second Cover (Financial Bid) of Qualified Bidders:

5.1.2.1. The Authority will inform all the Technically Qualified Bidders through e-tendering system, after decryption of their financial bid by Tender Acceptance Authority which could be viewed automatically by the respective technically qualified bidders. In this regard no separate intimation shall be made by the Authority.

5.2. Clarification of Tenders

5.2.1. During evaluation of tenders, the Authority may, at its discretion, ask the Bidder for a clarification of its tender including the breakup of unit price. The request for clarification and the response shall be in writing and no change in prices or substance of the tender shall be sought, offered or permitted.

5.3. Preliminary Examination

5.3.1. The Authority will examine the tenders to determine whether they are complete, whether any computational errors have been made, whether required sureties have been furnished, whether the documents have been properly signed, and whether the tenders are generally in order. Tenders from Bidders, without proper authorization from the manufacturer as per Annexure D, shall be treated as non-responsive.

5.3.2. Arithmetical errors will be rectified on the following basis. If there is a discrepancy between the unit price and the total price that is obtained by multiplying the unit price and quantity, the unit price shall prevail and the total price shall be corrected. If there is a discrepancy between words

and figures, the lower of the two will prevail. If the Successful Bidder does not accept the correction of errors, its tender will be rejected.

5.3.3. The Authority may waive any minor informality or non-conformity or irregularity in a tender which does not constitute a material deviation, provided such a waiver does not prejudice or affect the relative ranking of any Bidder.

5.3.4. Prior to the detailed evaluation, the Authority will determine the substantial responsiveness of each tender to the tender documents. For purposes of these Clauses, a substantially responsive tender is one which conforms to all the terms and conditions of the tender documents without material deviations. Deviations from or objections or reservations to critical provisions such as those concerning Performance Security, Warranty, Force Majeure, Limitation of liability, Applicable law, and Taxes & Duties will be deemed to be a material deviation. The Authority's determination of a tender's responsiveness is to be based on the contents of the tender itself without recourse to extrinsic evidence.

5.3.5. If a tender is not substantially responsive, it will be rejected by the Authority and may not subsequently be made responsive by the Bidder by correction of the non-conformity.

5.4. Proof of Concept (POC)/ Demonstration:

Eligible Bidders, as part of technical evaluation need to arrange a Proof of Concept (POC) and demonstrate their proposed Tablet as per criteria mentioned below.

SECTION VI – SCOPE OF WORK AND TECHNICAL SPECIFICATIONS

Scope of Work

These are generic performance requirements of Handheld Foldable Ballistic Briefcase to enable first line protection to the bearer against bullets fired from small arms ammunition (BIS Level-I). The usages are limited to security forces as a personal protective gear during various types of threat perceptions envisaged by them during operational commitments

The scope of these QRs are limited to physical and ballistic requirements of Ballistic Briefcase and its evaluation against in service small arms ammunition to be used by Central Armed Police Forces (CAPFs) and other Law Enforcement Agencies. These specifications prescribe the minimum performance requirements.

The procurement involves acquiring high-quality Briefcase Ballistic Shields designed for personal protection in high-risk situations. The shields must be compact, lightweight, and capable of withstanding multiple ballistic threats, meeting or exceeding MHA standards. Key features include a convertible design, ambidextrous handles, and optional accessories like LED lights and carry straps. The vendor must ensure compliance with MHA standards, provide certification, and deliver the shields within 30 days of contract award. Additionally, the vendor should offer demonstration, training on usage and maintenance, along with a minimum two-year warranty and ongoing support services.

These specifications cover only the basic design of ballistic briefcase and guidelines for its evaluation.
