

ODISHA POLICE
STATE HEADQUARTERS
CUTTACK.

PRESS NOTE
Dtd. 08.04.2020

Few instances of misbehaviour / manhandling of Doctors and Health Workers have come to the notice of State Police Hdqrs. The role of Doctors and Health Workers is very important in fight against CORONA VIRUS. They are infact the first line fighters in this war against COVID-19. Their safety and security in the field is the priority of Odisha Police.

Considering the gravity of the situation DGP advised all Supdts. of Police and DCP of Bhubaneswar and Cuttack to ensure safety and security of Doctors and other health workers. They have been instructed to take strong legal action against persons who are involved in assaulting, misbehaving and manhandling of Doctors, Health Workers and other Medical Staff on duty. The SsP / DCsP have also been advised to take up prompt investigation on the matter after registering FIR against the culprit. It has been decided to appoint a DSP or above ranked officer to supervise the case and submit the Charge Sheet and Final Form within a month.
