RESOLUTION

No HOME-PPT-MISC-00082016/ 32331 /H, Dated: 15.09.16

Sub.:- Authentication of documents through Self Certification.

Inconvenience is being faced by the general public to obtain authentication of certificates like birth certificate, marriage certificate, legal heir certificate, death certificate, medical certificate, driving license, issue of NORI certificate and no objection certificate since the currently adopted process is taking a long period. Presently they are first forwarded to the issuing authorities for confirmation who more often than not delay their response. To address this issue adoption of Self Certification for the above mentioned certificates was under consideration of the Government.

Now, Government in Home Department have decided to accept self certification for authentication / issue of these Certificates. The applicant will now be required to submit the original certificates needing authentication along with other required documents and an Undertaking regarding genuineness of the certificates / documents (as per the format prescribed). The Undertaking shall also contain the fact that if the certificate is found to be false/tampered with or any subsequent adverse report is received against the applicant he/she will be held liable for criminal action as per prevailing law(s).
