The details regarding the RFP process shall be available through Govt. of Odisha Website. The eligible bidders should visit the website from time to time and get the status updates. All details uploaded on the website from time to time.

All information supplied by Bidders may be treated as contractually binding on the Bidders, on successful award of the assignment by the CCTNS Odisha on the basis of this RFP.

While every effort has been made to provide comprehensive and accurate background information and

RFP for selection of System Integrator:CCTNS Odisha

	<p>requirements and specifications, Bidders must form their own conclusions about the solution needed to meet the requirements. Bidders and recipients of this RFP may wish to consult their own legal advisers in relation to this RFP.</p> <p>No commitment of any kind, contractual or otherwise shall exist unless and until a formal written contract has been executed by or on behalf of the Odisha Police. Any notification of preferred bidder status by the Odisha Police shall not give rise to any enforceable rights by the Bidder. Odisha Police may cancel this public procurement at any time prior to a formal written contract being executed by or on behalf of the Odisha Police.</p>
2. Payment conditions	2.1. Payments made under the Contract shall be in accordance with the terms and conditions of the Agreement between the Purchaser and the Bidder.

<p>3. Corrupt Practices</p>	<p>3.1 Purchaser requires bidders to observe the highest standard of ethics during the execution of the contract.</p> <p>a) The following definitions apply:</p> <ul style="list-style-type: none">i. “Corrupt Practice” means the offering, giving receiving, or soliciting, directly or indirectly, of anything of value to influence the action of any party in the procurement process or the execution of a contractii. “Fraudulent practice” means a misrepresentation or omission of facts in order to influence a procurement process or the execution of a contract;iii. “Collusive Practices” means a scheme or arrangement between two or more bidders, with or without the knowledge of the Purchaser, designed to influence the action of any party in a procurement process or the execution of a contract;iv. “Coercive Practices” means harming or threatening to harm, directly or indirectly, persons, or their property to influence their participation in a procurement process or affect the execution of a contract; <p>b) Purchaser shall reject a proposal for the award of Contract if it determines that the bidder recommended for award has, directly or through an agent, engaged in corrupt, fraudulent, collusive, or coercive practices in competing for the Contract.</p> <p>c) Purchaser shall declare a firm ineligible, either indefinitely or for a stated period of time, for execution of such contract if it at any time determines that the firm has engaged in corrupt or fraudulent practices in competing for or in executing the contract OR if it at any time determines that corrupt or fraudulent practices were engaged in by representatives of the Purchaser or a beneficiary of the fund, during the procurement or the execution of that contract, without the Purchaser having taken timely and appropriate remedial action. Any communication between the bidder and the purchaser related to matters of alleged fraud or corruption must be made in writing.</p> <p>No margin of preference shall apply.</p>
------------------------------------	--

RFP for selection of System Integrator:CCTNS Odisha

<p>4. Eligible Bidders</p>	<p>4.1. The bidders qualifying the eligibility criteria mentioned in the RFP Section-IV document shall be termed as Eligible Bidders and shall be eligible for opening of their Technical & Financial proposal.</p>
<p>5. Eligible Goods and Related Services</p>	<p>5.1. For the purpose of this Clause, the term “Goods” includes hardware/ software if any; and “Related services” includes services such as insurance, transportation, associated documentation, installation, customization, integration, field survey, testing and commissioning, training, technical support, maintenance and other necessary services to be provided by the selected bidder and necessary for successful AMC services and supply, installation & commissioning of new hardware/ software/ services if applicable to the project as specified in the contract.</p>
<p align="center">B. CONTENTS OF BIDDING DOCUMENT</p>	
<p>6. Sections of the Bidding Document</p>	<p>The Bidding Document consists of the Sections as indicated below and should be read in conjunction with any Additions issued in accordance</p> <ul style="list-style-type: none"> • Section-I. Preface • Section-II. Data Sheet • Section-III. Instructions to Bidders(ITB) • Section-IV. Eligibility Criteria • Section-V. Evaluation Methodology • Section-VI. Terms of Reference • Section-VII. Financial Proposal Forms • Annexure-A- I. <p>The Invitation for Bids issued by the Purchaser is a part of the Bidding Document.</p> <p>The Purchaser is not responsible for the completeness of the Bidding Document and its addenda, if they were not obtained directly from the Purchaser.</p> <p>The Bidder is expected to examine all Instructions, Forms, Terms, and Specifications in the Bidding Document. Failure to furnish all information or documentation required by the Bidding Document may result in the rejection of the bid.</p>

RFP for selection of System Integrator:CCTNS Odisha

7. Clarification of Bidding Document	<p>A prospective Bidder requiring any clarification of the Bidding Document shall contact the Purchaser in writing at the Purchaser's address indicated in the ITB. The Purchaser shall forward copies of its response to all Bidders who have acquired the Bidding Document directly from it, including a description of the inquiry but without identifying its source. Should the Purchaser deem it necessary to amend the Bidding Document as a result of a clarification, it shall do so by issuing a corrigendum.</p> <p>The Purchaser shall organize a <i>Pre-Bid Conference</i> at the time and place indicated in ITB. The purpose of the conference will be to clarify issues and answer queries that the bidders might have. Bidders are requested to submit their queries in writing to reach the purchaser not later than one day before the conference. Any modifications to the RFP which may become necessary as a result of pre-bid conference shall be made by the Purchaser exclusively by issuing Addendum/ Corrigendum and not through the clarifications of the pre-bid conference.</p> <p>The participants for the Pre-Bid Conference have to carry assigned authorization letter/ mail from company.</p> <p>Details of Pre-Bid Conference: As per Data Sheet Venue: O/o The Director, SCRB, Rasulgarh, Bhubaneswar, Odisha-751010.</p>
8. Amendment of Bidding Document	<p>At any time prior to the deadline for submission of the Bids or the award of the contract, the Purchaser may amend the Bidding Document by issuing addenda/ revised RFP. The Purchaser, at its discretion for any reason whether at its own initiative or in response to a clarification requested by a bidder may add, modify or remove any element of the Goods (including hardware, software, etc.) or any component of Related Service entirely or any part thereof from the bid document till the time of award of contract. All bidders will be notified of any such change.</p> <p>In order to provide prospective Bidders reasonable time in which to take the amendment into account in preparing their bids, the Purchaser may, at its discretion, extend the deadline for the submission of the Bids.</p> <p>Any addendum issued shall be part of the Bidding Document and shall be communicated in writing to all who have obtained the Bidding Document directly from the Purchaser.</p>

RFP for selection of System Integrator:CCTNS Odisha

B. PREPARATION OF BIDS	
9. Cost of Bidding	<p>The Bidder shall bear all costs associated with the preparation and submission of its Bid, and the Purchaser shall not be responsible or liable for those costs, regardless of the conduct or outcome of the bidding process.</p> <p>The Non-refundable Tender Cost amount required to be submitted alongwith the bid in a separate envelope highlighting as “Tender Cost” is indicated hereunder : Amount(INR):Rs.5,600.00/-(Rupees Five Thousand Six hundred) only including 12% GST in the form of Demand Draft in favor of Director, SCRB, Bhubaneswar, payable at Bhubaneswar.</p>

--	--

RFP for selection of System Integrator:CCTNS Odisha

<p>12. Bid Submission Sheets and Price Schedules</p>	<p>The Bidder shall submit the Technical Proposal using the appropriate Submission Sheets provided in Section-IX in the RFP. These TECH forms must be completed without any alterations to their format, and no substitutes shall be accepted. All blank spaces shall be filled in with the information requested.g</p> <p>The Bidders should take note of following points while submitting the Price Proposal:-</p> <p>a) Price Proposal should clearly indicate the price to be charged without any qualifications whatsoever. All taxes (sales, service, etc.), duties (excise & customs,etc.), Octroi, fees, levies, works contract tax, Entry tax and other charges as may be applicable, to be paid pre-or post-delivery or to be deducted by thge purchaser at source, in relation to the Goods and Related Services Shall be quoted separately.</p>
<p>13. Alternative Bids</p>	<p>Alternative (alternate technology/ architecture/ design/ functionality or Proposals with multiple options) bids shall be rejected.</p>
<p>14. Bid Prices and Discounts</p>	<p>The prices quoted by the Bidder in the Price Proposal Submission Sheet and in the Price Proposal shall confirm to the requirements specified below.</p> <p>The bidder should quote 'FIRM' prices as per the Financial Proposal forms under Section-X of the RFP.</p> <p>The bidders are requested to duly fill in figures for all the items as per price schedule covering entire scope of work without leaving any field as blank.</p> <p>All items must be listed and priced separately in the Price Schedules. If an item listed in Price Schedule is not priced, their prices shall be assumed to be included by the bidder in the prices of other items.</p> <p>If an item is not listed in the Price Schedule, it shall be assumed not to be included in the Bid. In such event, if the bid is otherwise substantially responsive, Bid Price shall be adjusted during evaluation of Price Proposals, for comparison purposes only, to reflect the price of the missing or non-conforming item or component. The price of the missing or non-conforming item or component for this purpose shall be the highest of the prices quoted by the other bidders for such missing item or component.</p>

RFP for selection of System Integrator:CCTNS Odisha

	<p>Prices quoted by the Bidder must be firm and final and shall remain constant throughout the period of the contract and shall not be subject to any upward modifications.</p> <p>The bidders are advised not to indicate any separate discount. Discount, if any, should be merged with the quoted prices. Discount of any type, indicated separately, will not be taken into account for evaluation purpose. However, in the event of such an offer, without considering the separate discount, is found to be the lowest, the Purchaser shall avail such discount at the time of award of contract.</p>
<p>15. Currencies of Bid</p>	<p>15.1 Bidders should express their bid price in INR. Wherever reference to “Rupees”or “Rs.” As currency has been made, the same should be taken as “Indian Rupees”.</p>
<p>16. Documents Establishing the Eligibility of Bidder</p>	<p>16.1 To establish their eligibility in accordance with ITB, Bidders shall complete the eligibility declarations in the Bid Submission Sheet.</p>
<p>17. Documents Establishing the Conformity of the Goods and Related Services to the Bidding Document</p>	<p>17.1 To establish the conformity of the Goods and Related Services to the Bidding Document, the Bidder shall furnish as part of its Technical Proposal the documentary evidence against Goods and related Services.</p> <p>17.2 The documentary evidence may be in the form of literature, drawings or data, and shall consist of a detailed description of the essential technical and performance characteristics of the Goods and Related Services, demonstrating substantial responsiveness of the Goods and Related Services to those requirements.</p>
<p>18. Documents Establishing the Qualifications of the Bidder</p>	<p>18.1 To establish its qualifications to perform the Contract, the Bidder shall submit as part of its Technical Proposal the evidence indicated for each qualification criteria specified in Section-IV Eligibility Criteria.</p>
<p>19. Period of Validity of Bids</p>	<p>19.1 Bid shall remain valid for the period of 180 days after the bid submission deadline date prescribed by the Purchaser. A Bid valid for a shorter period may be rejected by the purchaser as non-responsive.</p> <p>In exceptional circumstances, prior to the expiration of the bid validity period, the Purchaser may request Bidders to extend the period of validity of their Bids. The request and the responses shall be made in writing. The Bid Security furnished in accordance with ITB, it shall also be extended</p>

RFP for selection of System Integrator:CCTNS Odisha

	<p>for a corresponding period. A Bidder may refuse the request without forfeiting its Bid Security. A Bidder granting the request shall not be required or permitted to modify its Bid.</p>
20. Bid Security	<p>20.1 The Bidder shall furnish as part of its Technical Proposal, a Bid Security original form as provided in ITB.</p>
21. RFP for selection of System Integrator:CCTNS Odisha

D. EVALUATION AND COMPARISON OF BIDS	
27. Confidentiality	<p>27.1 Information relating to the examination, evaluation, comparison and recommendation of contract award, shall not be disclosed to Bidders or any other persons not officially concerned with such process.</p> <p>27.2 Any attempt by a Bidder to influence the Purchaser in the examination, evaluation, comparison, and post qualification of the Bids or Contract award decisions may result in the rejection of its Bid.</p> <p>27.3 Notwithstanding ITB, from the time of opening the Technical Proposals to the time of Contract award, if any Bidder wishes to contact the Purchaser on any matter related to the bidding process, it should do so in writing. If the bidder or any of his subcontractors meet the Purchaser's personnel, it will be considered as "Coercive Practices", and may result in rejection of the bid.</p>
28. Clarification of Bids	<p>28.1 To assist in the examination, evaluation, comparison and post qualification of the Bids, the Purchaser may, at its discretion, ask any Bidder for a clarification of its Bid. Any clarification submitted by a Bidder that is not in response to a request by the Purchaser shall not be considered. The Purchaser's request for clarification and the response shall be in writing. No change in the prices or substance of the Bid shall be sought, offered, or permitted, except to confirm the correction of arithmetic errors discovered by the Purchaser in the evaluation of the Price Proposals, in accordance with ITB.</p>
29. Responsiveness of Technical Proposal	<p>29.1 The Purchaser's determination of the responsiveness of a Technical Proposal is to be based on the contents of the Technical Proposal itself.</p> <p>29.2 A responsive Technical Proposal is one that conforms to all the mandatory requirements, terms, conditions, and specifications of the Bidding Document without material deviation, reservation, or omission. A material deviation, reservation, or omission is one that:</p> <ol style="list-style-type: none"> a) Does not meet all terms and conditions of the RFP; b) affects the scope, quality, or performance of the Goods and Related Services specified in the Contract;or c) limits or is inconsistent with the Bidding Document, the Purchaser's rights or the Bidder's obligations under the

RFP for selection of System Integrator:CCTNS Odisha

	<p>Contract;</p> <p>d) If rectified would unfairly affect the competitive position of other Bidders presenting responsive Technical Proposals.</p> <p>29.3 If a Technical Proposal is not responsive to the Bidding Document, it shall be rejected by the Purchaser and shall not subsequently be made responsive by the Bidder by correction of the material deviation, reservation, or omission.</p>
<p>30.Non conformities, Errors, and Omissions</p>	<p>30.1 Provided that a Technical Proposal is responsive, the Purchaser may waive any non-conformity or omission in the Bid that does not constitute a material deviation.</p> <p>30.2 Provided that a Technical Proposal is responsive, the Purchaser may request that the Bidder submit the necessary information or documentation, within areas on able period of time, to rectify nonmaterial, non conformities or omissions in the Technical Proposal related to documentation requirements. Such omission shall not be related to any aspect of the Price Proposal of the Bid. Failure of the Bidder to comply with the request may result in the rejection of its Bid.</p> <p>30.3 Provided that a Technical Proposal is responsive, the Purchaser will rectify non material non conformities or omissions. To this effect, the Bid Price shall be adjusted during evaluation of Price Proposals, for comparison purposes only, to reflect the price of the missing or non-conforming item or component.</p>

RFP for selection of System Integrator:CCTNS Odisha

<p>31. Preliminary Examination of Bids</p>	<p>31.1 The Purchaser shall examine the Technical Proposal to confirm that all documents and technical documentation requested in ITB have been provided, and to determine the completeness of each document submitted.</p> <p>31.2 The Purchaser shall confirm that the following documents and information have been provided in the Technical Proposal. If any of these documents or information is missing, the offer shall be rejected.</p> <ul style="list-style-type: none">a) Technical Proposal Submission Sheet in accordance with ITB;b) Written confirmation of authorization to commit the Bidder;c) Bid Security; andd) Manufacturer's Authorization, where applicable. <p>31.3 Likewise, following the opening of Price Proposals, the Purchaser shall examine the Price Proposals to confirm that all documents and financial documentation requested in ITB have been provided, and to determine the completeness of each document submitted.</p> <p>31.4 The Purchaser shall confirm that the following documents and information have been provided in the Price Proposal. If any of these documents or information is missing, the offer shall be rejected.</p> <ul style="list-style-type: none">a) Price Proposal Submission Sheet in accordance with ITB; andb) Price Schedules, in accordance with ITB.
<p>32. Examination of Terms and Conditions; Technical Evaluation</p>	<p>32.1. The Purchaser shall examine the Bids to confirm that all terms and conditions specified in the RFP document have been accepted by the Bidder without any material deviation or reservation.</p> <p>32.2 The Purchaser shall evaluate the technical aspects of the Bid submitted to confirm that all requirements specified in the Scope of Work at Section-VI (Terms of Reference), of the Bidding Document have been met without any material deviation or reservation.</p> <p>32.3 If, after the examination of the terms and conditions and the technical evaluation, the Purchaser determines that the Technical Proposal is not responsive in accordance with ITB, it shall reject the Bid.</p>

RFP for selection of System Integrator:CCTNS Odisha

33. Evaluation of Bids	<p>33.1 The Purchaser shall evaluate Price Proposals of each Bid for which the Technical Proposal has been determined to be responsive.</p> <p>33.2 To evaluate a Price Proposal, the Purchaser shall only use all the criteria and methodologies defined in this Clause and in Section-IV (Eligibility Criteria) and Section-V, Evaluation Methodology. No other criteria or methodology shall be permitted.</p> <p>33.3 To evaluate a Price Proposal, the Purchaser shall consider the following:</p> <ul style="list-style-type: none">a) The Bid Price quoted in Price Proposal Submission Sheet inclusive of all duties, levies and taxes.b) Price adjustment in accordance with ITB form is sing or non-conforming item(s) or component(s). <p>33.4 The Purchaser shall award the Contract to the Bidder on QCBS basis among responsive bidders.</p> <p>33.5 The bids shall be evaluated on total cost not on individual item cost.</p>
34. Comparison of Bids	<p>34.1 The Purchaser shall compare all responsive bids, in accordance with ITB.</p>
35. Post-qualification of the Bidder	<p>35.1 The Purchaser shall determine to its satisfaction during the evaluation of Technical Proposals whether Bidders are qualified to perform the Contract satisfactorily.</p> <p>35.2 The determination shall be based upon an examination of the documentary evidence of the Bidder's qualifications submitted by the Bidder, pursuant to ITB and to clarifications in accordance with ITB. The bidder shall meet the qualifying requirements as mentioned in Eligibility Criteria (Section-IV).</p>
36. Purchaser's Right to Accept Any Bid, and to reject any or All Bids	<p>36.1 The Purchaser reserves the right to accept or reject any Bid, and to annul the bidding process and reject all Bids at any time prior to Contract award, without there by incurring any liability to the Bidders.</p>

RFP for selection of System Integrator:CCTNS Odisha

11.	<p>The Bidder should not be blacklisted by any Government/ Government agency/ PSU in India for the last 3 years</p>	Undertaking to this effect to be submitted as per the format given in Section-IX of Tech Form-14.

Functional Requirements:

Odisha Police(SCRB) reserves the right to ask for any additional information and also reserves the right to reject or accept the bid of any/ all bidder(s), if in the opinion of Odisha Police the qualification data is incomplete or the bidder(s) is found not qualified to satisfactorily execute the requirements of the project and no communication shall be entertained in this regard in future what so ever.

SECTION-V: EVALUATION METHODOLOGY:

The purpose of this clause is only to provide the Bidders an idea of the evaluation process that Odisha Police(SCRB) may adopt. However, Odisha Police(SCRB) reserves the right to modify the evaluation process/ criteria at any time during the RFP process, without assigning any reason, whatsoever, and without any requirement of intimating the Bidders of any such change.

1. Preliminary Examination of Bids

1.1. Odisha Police (SCRB) will examine the bids to determine whether they are complete, required information have been provided as underlined in Section IV Eligibility Criteria of the bid document, the documents have been properly signed, and whether bids are generally in order.

1.2. The Bidder who fails to comply with any of the conditions mentioned therein may be termed as non-responsive and will not be evaluated further. Proposal of Bidders satisfying all conditions of Section-IV Eligibility Criteria with 70% technical score shall be eligible for opening of their price bids. Bidders are required to submit the quote of bid online as per the form at provided in the bid.

1.3. Bidder should note that the AMC Price has to be quoted for total quantity of work for the period of 05 years. The Price quoted must be inclusive of taxes shall be used for the purpose of evaluation.

2. Evaluation of the Bids

2.1. Compliance to Requirement stipulated in the TENDER, duly supported by documentary evidence will be evaluated in detail.

2.2. Odisha Police has the right to seek clarification from the respective bidder. Written reply, if any, submitted in response to the clarification sought by Odisha Police, will be reviewed.

2.3. Odisha Police may interact with the Customer's whose references is submitted by bidder, if required. In case a NDA is signed by the bidder with any customer, the selfcertified copies of the NDA shall be submitted for consideration.

2.4. The evaluation committee will determine if the price proposals are complete and without computational errors.

3. Evaluation of Technical Bids

3.1. The Technical evaluation of only those Vendors would be carried out who qualify the eligibility criteria as mentioned in Section-IV of the RFP.

3.2. The board of officers evaluating the technical bids may call for additional documents, presentation etc. in support of the facts and figures provided by the Bidder Vendors in the technical bids.

3.3. Vendors not cooperating in the bid evaluation or failing to produce the additional documents etc. as required by the Technical committee *will be rejected*.

RFP for selection of System Integrator:CCTNS Odisha

3.4. The *Technical Evaluation Committee* report will be approved by ODISHA POLICE post which the Price Bids of only those Firms/ Vendors will be opened for whose Technical Bids who clear the technical evaluation with *70% marks out of a 100 marks*.

3.5. Technical Evaluation Criteria

In order to facilitate the technical proposal evaluation, the technical criteria laid down along with the assigned weights have been presented in subsequent section. The marking scheme presented here is an indication of the relative importance of the evaluation criteria. Bidders securing a minimum of 70% marks in the technical evaluation will only be considered for further financial bid evaluation. Bids or Tenders which do not secure the minimum specified technical score will be considered technically nonresponsive and hence debarred from being considered for financial evaluation.

3.6. Technical Evaluation Formula:

- a) All the bidders who secure a Technical Score of 70% or more will be declared as technically qualified.
- b) The Bidder with highest technical bid(H1) will be awarded 100% score
- c) Technical scores of the other than H1 bidders will be evaluated using the following formula;
- d) Technical Score of a Bidder = $\{(\text{Technical Bid Score of the Bidder} / \text{Technical Bid Score of H1}) \times 70\}$ % (Adjusted upto two decimal places)
- e) The Commercial bids of only the technically qualified Bidders will be opened for further processing.

4. Evaluation of Commercial Bids

4.1. Commercial bids of only the technically qualified short-listed bidders will be opened and evaluated. The qualifying mark of Technical proposal is 70% out of 100 Marks.

4.2. Arithmetic errors in the Bids submitted shall be treated as follows:

4.2.1. Where there is a discrepancy between the amounts in figures and in words, the amount in words shall govern; and

4.2.2. Where there is a discrepancy between the unit rate and the line item total resulting from multiplying the unit rate by the quantity, the unit rate will govern unless, in the opinion of Odisha Police(SCRB), there is obviously a gross error such as a misplacement of a decimal point, in which case the line item total will govern.

4.2.3. Where there is a discrepancy between the amount mentioned in the bid and the line item total present in the Commercial Bid, the amount obtained on totaling the line items in the Commercial Bid will govern.

4.2.4. Financial Bid Evaluation Formula

- a) The Financial Bids of the technically qualified bidders (those have secured equal or more than 70% of mark in technical evaluation) will be opened on the prescribed date in the presence of bidders representatives

RFP for selection of System Integrator:CCTNS Odisha

- b) The Bid with lowest financial(L1) i.e. “lowest price quoted” will be awarded 100% score.
- c) Financial scores for other than L1 Bidders will be evaluated using the following formula;
Financial Score of a Bidder= {(Financial Bid of L1/ Financial Bid of the Bidder) x 30}%
(Adjusted up to two decimal places)
- d) Only fixed price financial bids indicating total price for all the deliverables and services specified in this bid document will be considered.
- e) The bid price will be inclusive of all taxes and levies and shall be in Indian Rupees
- f) Any conditional bid would be rejected
- g) Errors & Rectifications: Arithmetical errors will be rectified on the following basis; “If there is a discrepancy between the unit price and the total price that is obtained by multiplying the unit price and quantity, the unit price shall prevail and the total price shall be corrected. If there is a discrepancy between words and figures, the amount in words will prevail”.

5. Combined Evaluation of Technical and Financial Bids

- a) The technical and financial scores secured by each bidder will be added to compute a composite Bid score.
- b) The Bidder securing highest composite bid score will be adjudicated with the Best value bidder for award of the project.
- c) In the event the bid composite bid score are ‘tied’, the bidder securing the highest technical score will be awarded the project or adopt any other method as decided by the Tendering Authority.

5(a). Successful Evaluated Bidder

The bid shall be evaluated on QCBS method.

RFP for selection of System Integrator:CCTNS Odisha

6. Technical Evaluation Scoring Matrix

SI No	Criteria	Basis for evaluation	Marks Obtained	Supporting
A. Approach & Methodology—25 Marks				
1.	Understanding of the project a) About Odisha Police b) Objective about the assignment	Write-up note not more than 2 pages	2	
2.	Understanding of Core Application Software (State) for CCTNS on MS Stack and Integration with other agency a) Understanding of CAS State b) CAS customization approach, bug testing and rollout strategy c) MIS report customization d) Integration with other e-Gov services through SSDG/ State portal or any other similar kind of services e) Understanding for bi-lingual (English,Hindi&Odia) integration at the application level for data entry f) Approach to integrate Mobile application for citizen services, MIS report and data entry on the existing CCTNS services g) A&M for Data Storage, Data backup,Data Replication and retention policy with data integrity check	Write-up note not more than 3 pages	3	

RFP for selection of System Integrator:CCTNS Odisha

<p>3.</p>	<p>Understanding of Client Site and Data Centre/ DRC</p> <p>a) Understanding of Client site activity</p> <p>b) Understanding of Data Centre resource requirement and mapping of resources for each activity</p> <p>c) Understanding on VMware & cloud services</p> <p>d) Understanding on DR data replication, data integrity check</p> <p>e) Integration of two different services under e-governance with approach and methodology Integration of SMS, E-mail, OTP, Digital signature with the application software.</p> <p>f) Approach for network security and periodical audits including log files.</p> <p>g) Understanding of load balancing and server tuning for performance enhancement by removing bottle necks</p>	<p>Write-up note not more than 3 pages</p>	<p>5</p>	
<p>4</p>	<p>Presentation on the proposed solution capturing the major features(10 Marks):-</p> <p>1.</p> <ul style="list-style-type: none"> • Understanding of the project (how the solution proposed is relevant to the understanding) • Solution Proposal with detailed work-plan and methodology submitted along with the technical proposal. • Proposed Mechanism of Application Support, Monitoring & Customized report generation. • Implementation, Operation & Maintenance Support plan with 	<p>Presentation & Demonstration</p>	<p>15</p>	

RFP for selection of System Integrator:CCTNS Odisha

	<p>proposed team structure as mentioned in this RFP.</p> <ul style="list-style-type: none"> • Innovative solution using immerging technology like, AI, Big Data Analytics etc. • Demonstration of previously executed projects and CCTNS future road map and best practices. <p>2. Demonstration of previously executed projects and CCTNS future road map and best practices.(5 Marks)</p>			
B. BIDDERS EXPERIENCE–35 Marks				
1.	<p>The bidder should have successfully supplied, installed commissioned and maintained similar projects such as Data Centre Implementation and management, Client Infrastructure management, Application development, customization, testing, Operation & Maintenance support, Training & Change management, Data Digitization, Helpdesk support using EMS tools etc. with project cost of minimum INR 20 crore or more where the contract value of the bidder should have a minimum of following or more projects:</p> <p>(i) For 03 Projects minimum of INR 6 Crore or more</p> <p>(ii) For 02 projects minimum of 9 Crore or more</p> <p>(iii) For 01 projects minimum of 12 crore or more</p> <p>Separate work orders that meets the below mentioned</p>	<ul style="list-style-type: none"> • Upto 3 projects – 03 marks • 4 projects with project cost More than 5 crore to 6 crore – 05 marks • 5 or more projects with more than 6crore – 08 marks 	08	<p>Copies of POs or Lol needs to be enclosed along with self-certified completion report or issued by the employer. Copies of NDA signed with any customer to be submitted, if any.</p>

RFP for selection of System Integrator:CCTNS Odisha

	<p>requirements during the last Five (05) years for Government or Public/ Cooperative Undertakings within India.</p> <p>In case of ongoing project or AMC, satisfactory execution certificate needs to be enclosed for Implementation completion or O&M completion of the corresponding period.</p>			
2.	<p>The Bidder must have successfully completed 'Turn key Solution' for atleast three(3) e-Governance Mission Mode Project or IT/ITES-project as a System Integrator for Data Center/ DRC implementation (with minimum of 50 client infrastructure nodes) in India with project cost of minimum INR 20 crore where the contract value of the bidder should have with minimum as follows or more:For 03 Projects minimum of INR 6 Crore or more</p> <p>(i) For 02 projects minimum of 9 Crore or more</p> <p>(ii) For 01 project minimum of 12 crore or more.</p> <p>Separate work orders that meets the below mentioned requirements during the last Five (05) years for Public/ Cooperative Undertakings within India.</p> <p>In case of ongoing project or AMC, satisfactory execution certificate needs to be enclosed for Implementation completion or O&M completion of the corresponding period.</p>	<ul style="list-style-type: none"> • Upto 5 projects– 05 marks • 5 or more projects–08 marks 	08	<p>Copies of purchase orders or Lol needs to be enclosed alongwith self certified completion report or issued by the employer. Copies of NDA signed with any customer to be submitted, if any.</p>

RFP for selection of System Integrator:CCTNS Odisha

3.	<p>The bidder must have prior experience of Software development Projects under e-Governance/IT-ITES Projects in India with a project cost of at least <i>INR 1.6 crore or more for 01 project, or 1.2 crore or more for 02 projects, or 1 crore or more for 3 projects</i></p>	<ul style="list-style-type: none"> • Upto 2 projects= 03 marks • 3 projects = 06 marks 	06	<p>Copies of purchase orders or LOI need to be submitted with completion certificate either self certified or by employer. Copies of NDA signed with any customer to be submitted, if any.</p>
4.	<p>Training & Change Management Experience of development of training material for change management and delivery of training for use of IT applications (application developed/ customized) /basic computer skills/IT systems - participants including all levels of management.</p> <p>Following parameters will be examined for evaluation:</p> <ul style="list-style-type: none"> • Stage of completion of training assignment (Completed/ on-going) • Change Management Training imparted for the department 	1 marks for each qualifying project with maximum up-to 5 marks	05	<p>Copies of purchase orders or LOI need to be submitted with completion certificate either self certified or by employer. Copies of NDA signed with any customer to be submitted, if any.</p>
5.	Certifications	<ol style="list-style-type: none"> 1. Single bidder with CMMI Level 5= 04 Marks 2. Single bidder with CMMI Level 3= 02 Marks 	04	<p>CMMi certification to be submitted. CMMi certificate should be visible on https://cmminsstitute.com for verification.</p>

RFP for selection of System Integrator:CCTNS Odisha

6	The bidder should have average turnover of INR 150 Crore for the last 3 Financial years from IT/ITES business with positive net worth.	<ul style="list-style-type: none"> • > Rs.150 Cr. < Rs.300 Cr = 02 Marks • > Rs.300 Cr = 04 Marks 	04	CA certificate to be submitted confirming the value.
----------	--	--	----	--

C. Key Resources for Data Centre and Application Support- 35 Marks				
1.	Helpdesk Support- Helpdesk management (03 resources)	Based on relevant project experience with respect to scope of work (2 marks for each CV)	06	Relevant CV as per the format in Tech forms
2.	Network Security Expert (01resource)	Based on relevant project experience with respect to scope of work	02	Relevant CV as per the format in Tech forms
3.	Sr. Software Engineer-CAS application resources (08 resources)	Based on relevant project experience with respect to scope of work (2 marks for each resource)	16	Relevant CV as per the format in Tech forms
4.	Data base admin] (01 resource)	Based on relevant project experience with respect to scope of work	02	Relevant CV as per the format in Tech forms
5.	Testing Engineer (01resource)	Based on relevant project experience with respect to scope of work	02	Relevant CV as per the format in Tech forms
6.	Project Manager (01 resource)	Based on relevant project experience with respect to scope of work	03	Relevant CV as per the format in Tech forms
7.	Application Support Engineer- Helpdesk Application Support (02 resource)	Based on relevant project experience with respect to scope of work	04	Relevant CV as per the format in Tech forms

RFP for selection of System Integrator:CCTNS Odisha

D.	Exit Management, Risk & Mitigation Plan = 5 Marks			
7.	Risk & Mitigation Plan	Write-up note not more than 2 pages	2	
8.	a. Approach for Taking over from the existing SI. b. Exit Management and Knowledge transfer planning	Write-up note not more than 2 pages with standard template to capture the inputs for DC/CAS application & Client Infra for smooth functioning post exit of the current SI.	3	

SECTION-VI: TERMS OF REFERENCE

1. Project Background: CRIME AND CRIMINAL TRACKING NETWORK SYSTEM (CCTNS)

The Crime and Criminal Tracking Network Systems (CCTNS) was conceptualized by the Ministry of Home Affairs in detailed consultation with all stake holders and implemented as a “Mission Mode Project (MMP)” and which has adopted the guidelines of the National e-Governance Plan(NeGP).

CCTNS aims at creating a comprehensive and integrated system for enhancing the efficiency and effectiveness of policing at all levels and especially at the Police Station level through adoption of principles of e-Governance. CCTNS will operate through the creation of a nationwide networked infrastructure for evolution of IT enabled state-of-the-art tracking system around “investigation of crime and detection of criminals” in real time, which is a critical requirement in the context of the present day internal security scenario.

The scope of CCTNS spans all 35 States and Union Territories and covers all Police Stations (20,000+in number) and all Higher Police Offices (6,000+innumber) in the country. The CCTNS project includes vertical connectivity of police units (linking police units at various levels within the States – police stations, district police offices, state headquarters, SCRB and other police formations – and States, through state headquarters and SCRB, to NCRB at GOI level) as well as horizontal connectivity, linking police functions at State and Central level to external entities. CCTNS also provides for a citizen’s interface to provide basic services to citizens.

2. Stake holders of the Project

The impact of the police subject being sensitive, a consultative and a bottom-up approach has to be adopted in designing the MMP impacting the following stake holders:

- ✓ MHA/ NCRB/ Others
- ✓ Govt. of Odisha
- ✓ Odisha Police Housing Corporation Ltd.
- ✓ State Police department
- ✓ Citizens/ Citizens groups
- ✓ External Departments of the State

RFP for selection of System Integrator:CCTNS Odisha

3. Scope of work:

As mentioned in the objective section of the RFP the scope of work of the Bidder may be classified broadly into two categories:

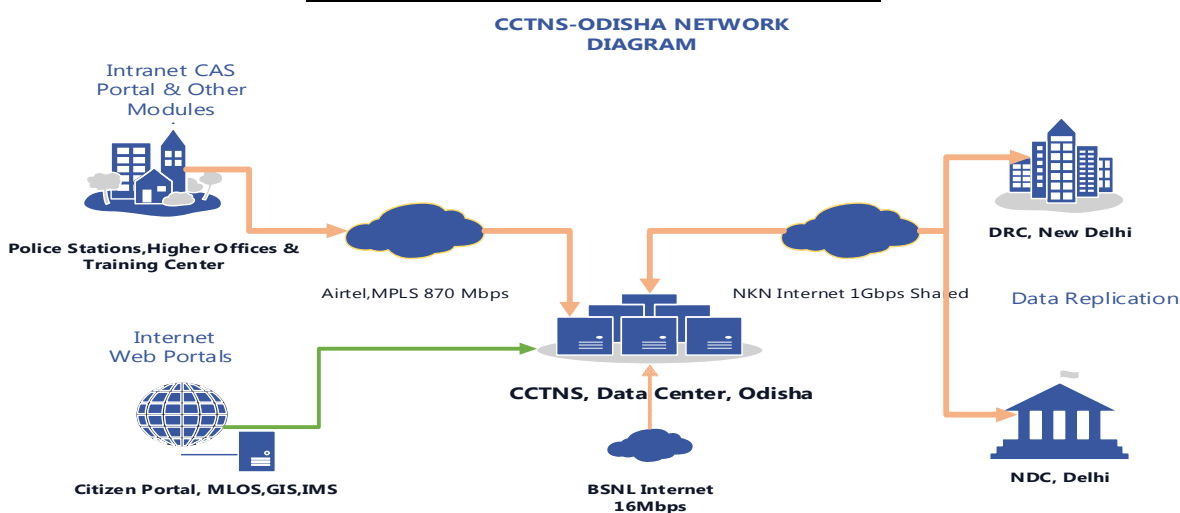

- i. Firstly the selected bidder will provide comprehensive AMC support of 05 years for, 626 Police Stations, 236 Higher Offices & State Data Center/ DRC with bundle of services to ensure continuity of business and managing the CCTNS solution at state. Maintenance service shall consist of Preventive, Breakdown and Superlative maintenance of all CCTNS Odisha IT Hardware Assets and Network Infrastructure and take corrective and remedial maintenance services to set right the reported malfunctioning of IT related infrastructure at the specified locations. The list of current Hardware assets are given in Annexure-I. The preventive maintenance shall be done atleast once in a quarter.

Data Centre:

The CCTNS Data Centre is currently operational in data Centre of Odisha Computer Application Center (OCAC) in Bhubaneswar. The data Centre is successfully catering to the physical infrastructure, Internet Bandwidth, IPs and power backup for CCTNS Rack containing the servers, storage & other hardware deployed for CCTNS operation in the state. The data Centre is connected to 862 client sites locations covering 626 police stations and 236 Higher Offices.

The Disaster Recovery Centre is currently operational for CCTNS Project in the NDC, Shastri Park, New Delhi. CCTNS Data Centre is currently connected with National Data Centre and regularly updates the data using dedicated link provided by NIC. However the state is planning to avail the service of NIC cloud to establish the DR Service.

Schematic Diagram of CCTNS, Odisha

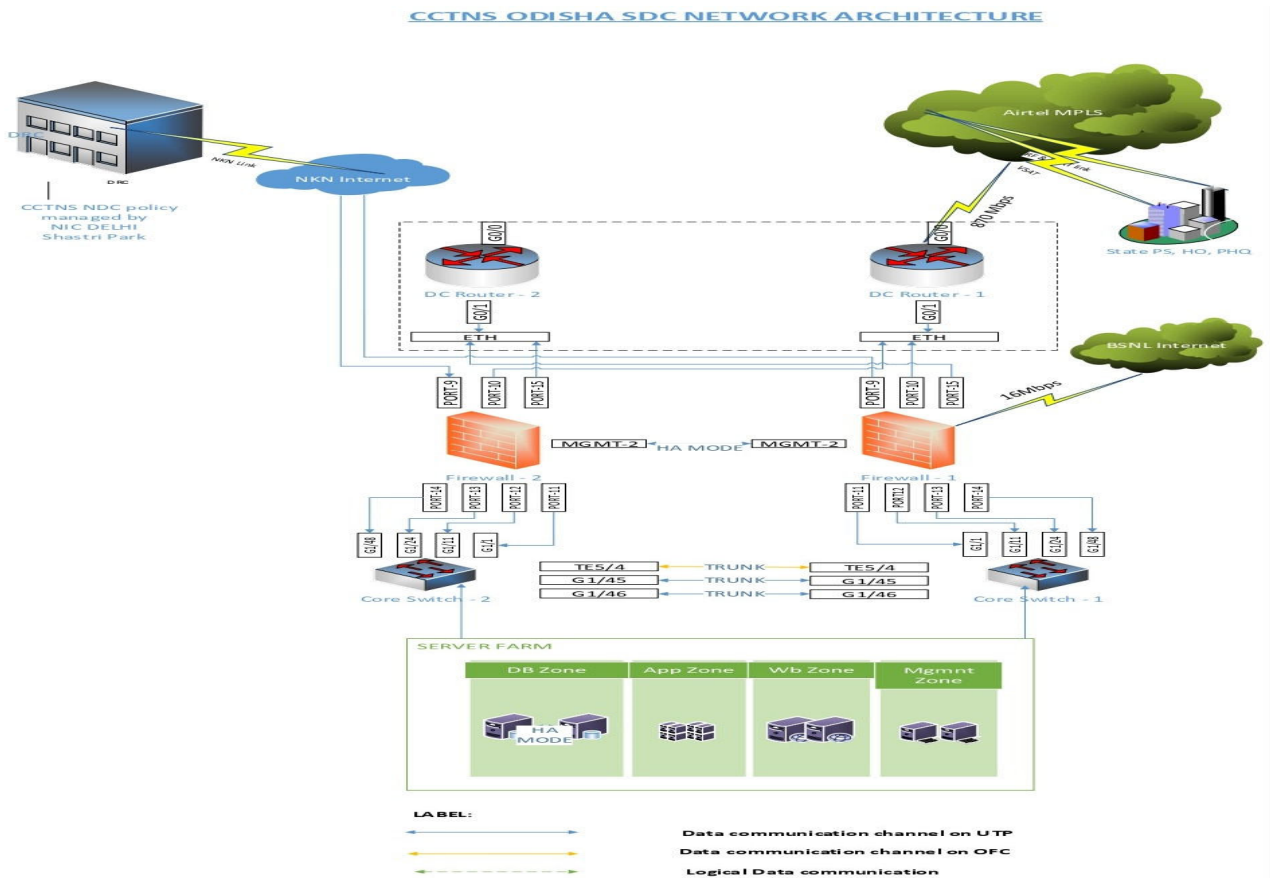

RFP for selection of System Integrator:CCTNS Odisha

The data Centre currently catering services for Core Application Software (CAS 4.5) which was developed centrally by Software Development Agency under the aegis of NCRB for every states/Uts. The CAS application is integrated with the SMS gateway service provided by NICS I where SMS/OTP is provided for Citizen Service request tracking and user login. The Data Centre is designed to handle 5000 concurrent user for Citizen Portal Service to access the CAS. The CAS Centre is shared with State for roll out in the state with scope of state level testing, customization and management support. CCTNS Odisha using MS Stack platform along with other key services not limited to the below:

- i. CAS 4.5 version of MS stack application
- ii. CAS testing, customization, Integration testing for other services at state level
- iii. MIS report design and customization for state specific requirements
- iv. Mail services and support and customization.
- v. management and support of Servers (Web, Application, Database, Backup, Antivirus)
- vi. Enterprise Management System (EMS) for data Centre and helpdesk support as defined in the detail scope of work.
- vii. Antivirus Software management support & maintenance for DC/ DRC & Client Infra.
- viii. SAN Storage, SAN Switches, Data Backup, Tape Library
- ix. Networking, Switch, Firewall, LB and integrating with aggregated bandwidth from BSNL/ NIC for data exchange with client and DC/ DRC-NDC.
- x. All necessary software update and License management for key components of DC/DRC and client end support.
- xi. Integration support for external agency like passport, Prison, FSL, Court, Prosecution, State Portal services for data exchange and single sign on for using CCTNS Services by the state users.
- xii. Providing technical and FMS support for O&M.

RFP for selection of System Integrator:CTNS Odisha

The sample Architecture of CCTNS Data Centre for reference only.

A. Client Site Infrastructure: Odisha Police have 36 police districts where 626 police stations and 236 Higher offices are spread across the state. The districts are controlled by District SP where the SDPOs/SDRPOs, IsIC of Police stations responsible for operation of police activity in the districts. Each PS will have 1 Desktop machine acting as Server for CAS Application and the rest 3 desktop PC will function as client. More pc's will be provided in ps's having large number of cases. The detail hardware asset of the client infra is mentioned in **Annexure-C**

The districts are provided with hardware & accessories, network connectivity, LAN & Electrical including Earthing in every police Stations for CCTNS operation. The Core Application Software (CAS) has been designed for online and offline mode operation at PS level where data digitization and process of various services is done. In other hand the higher offices use online CAS application for monitoring and supervisory role. The bandwidth shall be provided by the third party service provider as selected by the purchaser. The Airtel MPLS link is the primary connectivity for CCTNS Odisha. M/s Bharti Airtel Ltd. is providing 2Mbps MPLS link at the end locations and the Data centre is connected with a 16 Mbps Link.

RFP for selection of System Integrator:CCTNS Odisha

- B. CAS application Testing, rollout and Customization:** The selected Bidder will do the maintenance of Core Application Software at Data Center and 862 end locations along with Citizen Portal website hosted at state mini Data Center. SI will do the testing of bug for new CAS version released by Software Development Agency (SDA) of GOI for CAS online & offline version for State, uploading of bugs in Bugzilla, identify the scope for fixations of bugs as an work around solution, rollout of new version of CAS at end locations/DC, development of additional modules if required for Integration with other services in the state, customization of Police Portal, Citizen Portal and MIS dashboard and integration of CCTNS solution with external agencies/departments/ICJS project. The customization of CAS will be carried out by selected SI as per the state Specific requirements. The bidder will write additional code, script or modify the application, work flow designed as per the SRS/FRS guidelines of SDA with approval of state. The bidder must deploy good quality resources as per the details given in Annexure D. Any resources not found suitable, will be replaced with higher skill set after getting necessary approval of state within 30 days of notice from the client.
- C. Helpdesk support of CCTNS Odisha:** The Enterprise Management System (EMS) server captures the performance parameters for monitoring the deviation of SLA on realtime basis. All the Elements in the DC are monitored through Enterprise Management System, however asset monitoring and online tracking of the end location devices are notincluded in the EMS. The System helps to create Tickets and report any SLA deviations of the client support system. To manage the complete environment of CCTNS Odisha, the following Suite of EMS products are installed to help in standing up to a scalable and secure platform which will help in meeting Odisha Police's objectives:
- ✓ **CA Spectrum** which is a service and infrastructure management system that monitors all the SNMP or IP based devices and provides the availability report of the systems.
 - ✓ **CA UIM**(Unified Infrastructure Management) which proactively manage network performance to maximize availability, manage capacity and plan business growth.
 - ✓ **CA ITM**(Information Technology Client Management) Client Automation which is designed to be focused on the management of end user environments
 - ✓ **CA APM** which is an application performance management solution that helps the organization to monitor complex web applications in production environments 24x7
 - ✓ **CA TIM**(Transaction Impact Monitor) which provides real-time visibility and proactive alerts that help IT to respond immediately to customer transaction problems etc.
 - ✓ **CA Service** Desk is to implement a single point of complaint escalation and in order to adopt a process oriented approach to address end user complaints.
- D. Help Desk Security**
- Login Credentials will be provided per Id. Of the individual resources
 - The bidder will ensure that no resource carries the internet inside as the CCTNS works

RFP for selection of System Integrator:CCTNS Odisha

on Intranet based.

- The use of the external drives should be avoided.

E. Deployment of Resource for FMS & CAS Application Management

- For providing the bundle of services for CCTNS Odisha the successful bidder has to deploy resources for Data Centre/ DRC, CAS application, Software & application, Mail, EMS tools support & Client Infrastructure Operation & Maintenance. The bidder will deploy resources for FMS and Helpdesk support and CAS support. Details of the resources are given in Annexure-D.
- However, the bidder may propose additional resources and support staff to carry out the defined task to meet the project objectives, scope of work and service level agreement defined in RFP as per their understanding.
- **Any resource that will be changed if required in future, it can be done only with prior approval of Director SCRB on written request of the bidder.**
- **The bidder will intimate and replace the new resource before one month, so that the new resource can acquired the knowledge from the replaced resource.**
- **If without this, the resource is not placed, then the bidder will be levied 2 times penalty of the monthly cost of the resource deployed.**
- **The bidder will develop software for giving details of login/ logout period of work, time of sitting idle and total working time for each resource for better monitoring of the CCTNS Project and submit the same on fortnightly basis. Additional cost may be specified separately in this regard.**
- **In case of any resource leaving the job, then the bidder will replace the resource with equal qualification/ experience with approval of the Director SCRB.**
- **All the resources engaged in the project will be issued with Identity cards to be provided by SCRB.**
- **SCRB will maintain a daily attendance register for the resources deployed in the project.**
- **The bidder will submit the attendance sheet of the resources for release of payment due.**
- **The resources shall be eligible maximum 15 days leave. In case any resource take leave beyond this period a substitute shall be provided, failure to provide will entail penalty twice the rate of actual salary per day.**
- **The bidder can only replace maximum of three resources in a year with the prior approval of Director SCRB.**

F. Detail Scope of work of the bidder for AMC of DC & DRC.

A.	Data Centre
1.	AMC support for Data Centre: <ul style="list-style-type: none">a) The Bidder has to render comprehensive AMC support service for CCTNS Data Centre on 24X7 basis for all kind of support services for the Hardware, software, and services running in the CCTNS Data Centre. However the resource deployment will be during the business hours only with a contingency plan for non-working hours, Holidays including sat/Sunday.b) Maintenance & Troubleshooting of Servers (Application, Database, EMS and Email) installed at the DC such as patches update, taking back up of log files, system files, regular changing of password of the equipment.c) Updating of the System Software, Application software and Antivirus, Database, Routers, Switches, Firewall & Storage equipment so that the system firmware or patches should be up to date.d) Maintenance of the infrastructure/ Server health as per the service level defined in the SLA or as per the requirement of Odisha Police.e) The Bidder has to take backup of the file system, database and server log files on Daily/Weekly/Monthly basis or as per the requirement of CCTNS Odisha.f) Regular cleaning of Tape/backup equipment drive.g) Overall the equipment should be maintained in full working condition as per the industry standardh) The CCTNS DR is being operational in NIC Data Center in New Delhi. The resource deployed by the Bidders for the DC operations should extend the technical support in DRC Site.i) The Bidder should extend technical resource support for the DRC site configuration on NIC cloud for CCTNS Odisha in case implemented during the contract period of 05 years of AMC..j) The Bidder should help in configuration of DC-DRC for data replication/restoration at DC as well as DRC end.k) The Bidder should help providing support including writing/executing script/configuration management for the data backup and replication of the CCTNS Database.l) The team will also support for data restoration and data quality checking between the DC & DRC.m) Any additional Hardware/Software required (if any) for DC/DRC will be procured through Change Request

RFP for selection of System Integrator:CCTNS Odisha

	<p>n) In case the equipment (SAN) are falling under end of support during the contract period, the bidder needs to get OEM certification for extending the AMC support till the contract period. In case OEM is not willing to extend back to back support, the bidder needs to include the cost for the replacement of this equipment to achieve the same or better performance after the end of support period as per the industry standard and share the specifications and make, model. The bidders may plan accordingly and submit the proposal. However without OEM back to back support the proposal will not be accepted from the bidder.</p>
2	<p>Management of System Software / Application licenses at DC</p> <p>a) The comprehensive AMC support includes management of the OEM, License renewal management. The details of software/ application is attached as ANNEXURE C.</p> <p>b) The successful bidder shall co-ordinate with OEMs for support for configuration issues, hardware replacement etc.</p> <p>c) The Bidder has to give support for the management of the OEM the existing various software licenses for CCTNS Odisha namely Microsoft Windows, Software for backup solution, McAfee Antivirus.</p> <p>d) The Bidder has to give back to back solution for up-gradation, validation of the existing software from the respective OEM.</p> <p>e) The bidder may support for SSL certificate installation on DC server procured from third party vendor. However the step-by-step and telephonic / remote support will be provided to the DC team of the bidder.</p> <p>f) The bidder may also install and configure Digital Signature procured through third party vendor for the CCTNS purpose at DC & Client locations.</p> <p>g) The bidder must support the existing SMS/OTP services for maintenance, configuration of API in the Data Centre Application server as and when required.</p> <p>h) The bilingual and Unicode of local language may be supported, integrated in the DC for local language typing in the CAS application and browsing of websites in local language if implemented.</p> <p>i) The bidder also configure e-mail and SMS services through API in CAS application for both Police Application and citizen portal services.</p>
3	<p>Helpdesk support System for DC & client locations</p> <p>a) Helpdesk will be center point of contact for all user related issues. The Bidder shall monitor complaints through the existing EMS.</p> <p>b) The Bidder has to provide support Solutions with the existing helpdesk support system such as</p> <ul style="list-style-type: none">✓ Call Receiving from Users, its Logging and issue of complaint no. to user✓ Single point of contact for all concerns✓ Call Escalation, Tracking and Closure✓ Reporting on daily/Weekly/ Monthly/Quarterly calls or incidents such as CallPending Report with details, call resolution and analysis reports.

RFP for selection of System Integrator:CCTNS Odisha

- c) In addition to the above services Bidder has to render/ maintain Service level management, incident management, change management, Problem management, Root Cause Analysis. However, the above mentioned list of task may vary as per the requirement of Odisha Police. The support services may increase or decrease as per the requirement.
- d) The Bidder will submit all relevant details like support escalation matrix of district as well as state level, helpdesk support and process well in advance before delivery of materials to sites.
- e) Bidder will provide a dedicated helpdesk resource with telephone line for receiving calls from police stations and calling back their field support team for support and maintenance.
- f) Bidder shall set up a helpdesk at SCRB, Odisha to provide support for in 16x6 days a week. The business hours will be 6:00 AM to 10:00 PM (1 hour break for lunch) on all working days. The Help Desk shall operate from 8.00AM to 8.00PM in all Public Holidays or any other Holidays observed by the state. Odisha Police will provide the space for setting up the helpdesk alongwith a dedicated landline telephone whereas other nrastructure required for the helpdesk team such as Laptop/ Desktop PC/ scanner/ Printer/ internet should be provided by the bidder.
- g) The Bidder will provide support for Data Centre on 24x7 basis. However, the FMS resource may not be deployed on 24 hour basis but the bidder has to support as and when required.
- h) The Bidder helpdesk will be following the Odisha Police working hour and holiday as per Govt. of Odisha holiday plan, however the field team may work in all days.
- i) The Bidder will provide support and maintenance in good faith and ensure that no mistakes are done advertently keeping the better interest of the project.
- j) Helpdesk will handle Fault acceptance, reporting, assigning to support team, and closure of Trouble Ticketing through the pre-developed software with submission of daily update regarding reporting, closing and pending status of the received calls to Odisha Police during this contract period.
- k) The resources will work normally as per Govt. of Odisha holidays/ working time.
- l) In exigencies they will work as per the direction of the Director SCRB.
- m) The bidder should submit the log in reports of the resources of the working timings which will be system generated.
- n) The Bidder has to provide the support solution till the closure of the problem/ incident/ task and in compliance with the Service Level Agreement (SLA).
- o) The Bidder has to deploy the required manpower resource for the support system. The detail information of the process /work flow and the description of the helpdesk support solution is annexed as ANNEXURE-D.

RFP for selection of System Integrator:CCTNS Odisha

4	<p>MIS Dashboard Reports:</p> <ul style="list-style-type: none">a. SI will do the customization of MIS dashboard for generation of various types of reports for monitoring and review by supervisory authorities. The reports generated through MIS dashboard is annexed as Annexure-H.b. The dashboard reports will be customized by selected bidder based on the input provided by State/SPMU.c. Selected bidder will do the POC for report at UAT followed by demo to state team and once approved the same needs to be deployed at production environment.d. The generated dashboard reports needs to have clarity for the purpose and may be extracted in various formats(Doc, excel, PDF, TIFF)e. The generated reports will be in statistical as well as in graphical form.f. Each report will have the provision to select one or multiple sub-criteria from the drop-down list. <p>The report should have a provision to select multiple options for the purpose of comparison.</p>
5	<p>Development of additional modules at state level with Change Request.</p> <ul style="list-style-type: none">a. State may desire for development of additional modules as per requirement during the contract period under Change Request to enhance the utility of systems on a whole.b. SI will share the Preparation of System Requirements Specifications (SRS) for additional functionalities and different integration points with CAS (Center) and External agencies.c. Preparation of the Solution Design & Solution Development.d. Change/Reference document that include all the changes or deviations from the base version of the CAS (State)e. Testing of the configured solution (CAS) for additional functionalities/developed modulesf. SI will prepare the test cases for additional modules and will develop High Level Design(HLD) and Low Level Design(LLD)g. The Additional module will also be available in bilingual version for CAS offline and online.h. Data Digitization and migration for historical records if any left then the SI will use his migration Utility/Tool for migration of digitized data into CAS. This will migrate data from legacy/paper based systems of the new modules to the CAS databases.i. The user acceptance testing and fine-tuning of the application would be done at State Level for which SI will coordinate and facilitate the testing activity.j. In case the state decide to modify/ develop any mobile platform for CCTNS system, the SI will assist in developing the Mobile application. The recurring charges if any, for registering the Mobile Apps. is to be provisioned by the Dept.

RFP for selection of System Integrator:CCTNS Odisha

6	<p>k. The resources shall continuously update their skill and use the latest technology platform to improve the application and utility of CCTNS database.</p> <p>l. SI shall integrate and maintain any additional software such as AI tools or software to be purchased in future by SCRB.</p> <p>Integration with external agencies with CCTNS for electronic exchange of Data/information.</p> <p>a. CCTNS Odisha is expected to be integrated with other agencies for sharing of data electronically such as e-court, passport, FSL, Prosecution, Prison, State Portal services for data exchange and single sign on (SSO) and other external departments. Selected Bidder will support in integration of CCTNS with other external agencies as mentioned above by developing e-forms for electronic exchange of data using web-services or connectors and other technical requirements to integrate and enable the exchange of data electronically between CCTNS and external agencies. SI shall not be penalized for any delay caused due to such integration/exchange of data with external agencies.</p> <p>b. Selected bidder will prepare the test case, feasibility for development of additional modules, gap analysis, POC for enabling the data exchange. The integration process includes authentication, encryption process and exchanging of data using CCTNS services by the state users.</p> <p>c. SI will prepare the test case and feasibility for development of additional modules for integration.</p> <p>d. SI will coordinate, do the requirement gathering, understand the feasibility, and conduct the Proof of concept for testing the requirements.</p> <p>e. Selected SI will analyze the feasibility for exchange of data sets between CCTNS and external entities.</p> <p>f. SI will develop the e-form, connector and other technical requirements to integrate and enable the exchange of data electronically between CCTNS and external agencies</p>
7	<p>Security Audit and testing:</p> <p>a. SI will do periodical security audit and testing of Data Center Servers and Storage devices to avoid any security lapses at least half yearly and submit a self-certified compliance report.</p> <p>b. The performance audit of the system and storage devices needs to be done by the SI on a half yearly basis and submit a self-certified compliance report.</p> <p>c. The testing will be done to measure the availability of services to ensure compliance to industry standard.</p> <p>d. Security audit of the system needs to be carried out for:</p> <ul style="list-style-type: none">i. Audit of Network, Server and Application security mechanismsii. Assessment of authentication mechanism provided in the application /components/ modules

RFP for selection of System Integrator:CCTNS Odisha

<p>8</p>	<p>iii. Assessment of data encryption mechanisms implemented for the solution iv. Assessment of data access privileges, retention periods and archival mechanisms v. Hardening of Server, networking equipment and Application security features incorporated e. RFP for selection of System Integrator:CCTNS Odisha

2.0	Commencement, Completion, Modification and Termination of Agreement
2.1	Effectiveness of Agreement <p>This agreement shall come into force and effect on the date (the “Effective Date”) of the Client’s notice to the Service providers instructing them to begin carrying out of the services. The notice shall confirm that the effectiveness conditions, if any, listed in this agreement have been met.</p>
2.2	Termination of Agreement for Failure to Become Effective <p>If this Agreement has not become effective within such time period after the agreement signed by the Parties as shall be specified in this agreement, either party may, by not less than 15 (fifteen) days written notice to the other Party, declare this Agreement to be null and void, and in the event of such a declaration by either party, neither Party shall have any claim against the other party with respect hereto.</p>
2.3	Commencement of Services <p>The Service providers shall begin carrying out the Services at the end of such period after the effective date as specified in the agreement.</p>
2.4	Expiration of Agreement <p>Unless terminated earlier pursuant to GC Clause 2.9 hereof, the Agreement shall expire when services have been completed and all payments have been made at the end of such time period after the ‘Effective date’ as shall be specified in this agreement.</p>
2.5	Liability of Parties <p>This agreement contains all covenants, stipulations and provisions agreed by the parties. No agent or representative of either Party has authority to make, and the Parties shall not bound by or be liable for, any statement, representation, promise or agreement not set forth herein.</p>
2.6	Modification <p>Modifications of the terms and conditions of this agreement, including any modification of the scope of the services, may only be made by written agreement between the parties. Pursuant to Clause 7.2 of this agreement hereof, however, each Party shall give due consideration to any proposals for modification made by the other Party.</p>

RFP for selection of System Integrator:CCTNS Odisha

2.7	Force Majeure
2.7.1	<p>Definition</p> <p>a) For the purposes of this agreement, “Force Majeure” means an event which is beyond the reasonable control of a party, and which makes a party’s performance or its obligations hereunder impossible or so impractical as reasonably to be considered impossible in the circumstances, and includes, war, riot, Civil disorder, earthquake, fire, explosion, storm, flood or other adverse weather conditions, strikes, lockouts or other industrial action are within the power of the party invoking force majeure to prevent, confiscation or any other action by Government agencies.</p> <p>b) Force Majeure shall not include</p> <p>I. Any event which is caused by the negligence or intentional action of a party or such party’s sub-Service provider or agent or employees, nor</p> <p>II. Any event which a diligent party could reasonably have been expected to both</p> <p>(a) take into account at the time of the conclusion of this Agreement and</p> <p>(b) avoid or overcome in the carrying out of its obligations hereunder.</p> <p>c) Force Majeure shall not include insufficiency of funds or failure to make any payment required hereunder.</p>
2.7.2	<p>No Breach of Agreement</p> <p>The failure of a party to fulfill any of its obligations hereunder shall not be considered to be a breach of or default under, this agreement in so far as such inability arises from an event of Force Majeure, provided that the party affected by such an event has taken all reasonable precautions, due and reasonable alternative measures, all with the objective of carrying out the terms and conditions of this agreement.</p> <p>a) A party affected by an event of Force Majeure shall take all reasonable measures to remove such party’s inability to fulfill its obligations hereunder with a minimum of delay.</p> <p>b) A Party affected by an event of Force Majeure shall notify the other party of such event as soon as possible, and in any event not later than fourteen (14) days following the occurrence of such event, providing evidence of the nature and cause of such event, and shall similarly give notice of the restoration of normal conditions as soon as possible.</p> <p>c) The Parties shall take all reasonable measures to minimize the consequences of any event of Force Majeure.</p>

RFP for selection of System Integrator:CCTNS Odisha

2.7.3	Consultation Not later than thirty (30) days after the Service providers, as the result of an event of Force Majeure, have become unable to perform a material portion of the Services, the Parties shall consult with each other with a view to agreeing on appropriate measures to be taken in the circumstances.
2.7.4	Extension of Time Any period within which a Party shall, pursuant to this Agreement, complete any action or task, shall be extended for a period equal to the time during which such party was unable to perform such action as a result of Force Majeure.
2.8	Suspension The Client by written notice of suspension to the Service providers, may suspend all payments to the Service providers hereunder, if the Service providers fail to perform any of their obligations under this Agreement, including the carrying out of the Services provided that such notice of suspension (i) shall specify the nature of the failure and (ii) shall request the Service providers to remedy such failure within a period not exceeding fifteen (15) days after receipt by the Service providers of such notice of suspension. The client for any reasons beyond his reasonable control may ask the Service provider to suspend whole or part of the work/services for such time till the reasons are removed or settled. The extra time period of such duration shall be granted as time extension on the original terms and conditions.
2.9	Termination By the Client
2.9.1	The Client, may by not less than ninety (90) days written notice of termination to the Service provider, such notice to be given after the occurrence of any of the events specified in paragraphs (a) to (g) of this Clause, terminate this Agreement: a) If the Service providers fail to remedy the failure in the performance of their obligations hereunder, as specified in a notice of suspension pursuant to Clause 2.8 of this agreement hereinabove, within fifteen (15)days of receipt of such notice of suspension or within such further periodas the Client may have subsequently approved in writing; b) If the Service providers (or if the Service providers consists of more than one entity, if any of their members) become insolvent or bankrupt or enter into any agreements with their creditors for relief of debt or take advantage of any law for the benefit of debtors or go into liquidation or receivership whether compulsory or voluntary;

RFP for selection of System Integrator:CCTNS Odisha

	<p>c) If the Service providers submit to the Client a statement which has a material effect on the rights, obligations or interests of the Client and which the Service providers know to be false;</p> <p>d) If the Service providers fail to comply with any final decision reached as a result of arbitration proceedings pursuant to Clause 9 of this agreement hereof;</p> <p>e) If as the result of Force Majeure, the Service providers are unable to perform a material portion of the Services for a period of not less than sixty (60) days;</p> <p>f) If the Client, in its sole discretion and for any reason whatsoever, decides to terminate this Agreement.</p> <p>g) If the Service provider, in the judgment of the Client, was engaged in corrupt or fraudulent practices in competing for or in executing the agreement.</p> <p>For the purpose of this clause:</p> <p>“Corrupt practice” means the offering, giving, receiving or soliciting of anything of value to influence the action of a public official in the selection process or in agreement execution.</p> <p>“Fraudulent Practice” means a misrepresentation of facts in order to influence a selection process or the execution of an agreement to the detriment of the Borrower, and includes collusive practice among Service providers (prior to or after submission of proposals) designed to establish prices at artificial non-competitive levels and to deprive the Borrower of the benefits of free and open competition.</p>
2.9.2	<p>By the Service Providers</p> <p>The Service providers may, by not less than ninety (90) days written notice to the Client such notice to be given after the occurrence of any of the events specified in paragraphs (a) to (d) of this Clause, terminate this agreement:</p> <p>a) If the Client fails to pay any money due to Service providers pursuant to this agreement and not subject to dispute pursuant to Clause 8 & 9 of this agreement hereof within forty five (45) days after receiving written notice from the Service providers that such payment is overdue;</p>

RFP for selection of System Integrator:CCTNS Odisha

	<p>b) If the Client is in material breach of its obligations pursuant to this agreement and has not remedied the same within forty five (45) days (or such longer period as the Service providers may have subsequently approved in writing) following the receipt by the Client of the Service provider’s notice specifying such breach;</p> <p>c) If as the result of Force Majeure, the Service providers are unable to perform a material portion of the services for a period of not less than sixty (60) days;</p> <p>d) If the Client fails to comply with any final decision reached as a result of arbitration pursuant to clause 9 of this agreement hereof.</p>
2.9.3	<p>Cessation of Rights and Obligations</p> <p>Upon termination of this Agreement pursuant to GC Clauses 2.2 or 2.9 hereof, or upon expiration of this Agreement pursuant to Clause 2.4 of this agreement hereof, all rights and obligations of the Parties hereunder shall cease, except: -</p> <ul style="list-style-type: none"> i. Such rights and obligations as may have accrued on the date of termination or expiration, ii. The obligation of confidentiality set forth in Clause 3.3 of this agreement hereof, iii. The Service provider’s obligation to permit inspection, copying and auditing of their accounts and record set forth in Clause 3.7 of this agreement hereof, iv. The Service provider’s obligations regarding default in performance of the services in accordance of the provisions of the agreement and for any loss suffered by the Client, whereof, as a result of such default, and v. Any right, which a party may have under the Applicable Law.
2.9.4	<p>Cessation of Services</p> <p>Upon termination of this agreement by notice of either to the other pursuant to Clauses 2.9.1 or 2.9.2 of this agreement hereof, the Service providers shall, immediately upon dispatch or receipt of such notice, take all necessary steps to bring the Services to a close in a prompt and orderly manner and shall make every reasonable effort to keep expenditures for this purpose to a minimum. With respect to documents prepared by the Service providers and equipment and materials furnished by the Client, the Service providers shall proceed as provided, respectively, by Clauses 3.9, 3.10 or 3.11 of this agreement hereof.</p>
2.9.5	<p>Payment upon Termination</p> <p>Upon termination of this agreement pursuant to Clauses 2.9.1 or 2.9.2 of this agreement hereof, the Client shall make the payment pursuant to clause 6 of this agreement hereof for services satisfactorily performed prior to the effective date of termination, subject to other conditions of this agreement, to the Service providers (after offsetting against these payments any amount that may be due from the Service providers to the Client):</p>

RFP for selection of System Integrator:CCTNS Odisha

2.9.6	<p>Disputes about Events of Termination</p> <p>If either Party disputes whether an event specified in paragraphs (a) to (c) Clause 2.9.1 of this agreement or in Clause 2.9.2 of this agreement hereof has occurred, such party may, within forty days after receipt of notice of termination from the other party, refer the matter to arbitration pursuant to Clause 10 of this agreement hereof.</p>
3.1.1	<p>Standard of Performance</p> <ul style="list-style-type: none">a) The selected Service Provider is obliged to work closely with the Company's representatives, act within its own authority and abide by directives issued by Odisha Police in implementation activities.b) The Service Provider shall abide by the job safety measures prevalent in India and shall free Odisha Police from all the demand of responsibilities arising from accidents or loss of life in the cause of which is the Service Provider's negligence. The Service Provider shall pay all indemnities arising from such incidents and shall not hold Odisha Police responsible or obliged.c) The Service provider responsible for managing the activities of its personnel or sub contracted personnel and shall hold itself responsible for any misdemeanors.d) The Service provider shall take up all regulatory and other issues concerned with any Government of India bodies.e) The Service provider shall take the respective license required from concerned authorities for handling customers in any part of Odisha/India.f) The job shall be carried out generally as per the acts, rules, regulations and other details as applicable in Odisha.g) The manpower deployed, for all service purposes, shall be the sole responsibility of the Service provider alone and under no circumstances they would claim to be the employees of Odisha Police. The bidder shall take care of the manpower deployed for their welfare and duties.

5.2	Payment In consideration of the Services performed by the Service providers under this agreement, the Client shall make to the Service providers such payments and in such manner as is provided by GC Clause 6 of this agreement.
6.0	PAYMENTS OF THE SERVICE PROVIDERS i. Quarterly deferred payment for AMC shall be made on submission of invoice/bills in triplicate within 30 working days from the date of completion of 3-months. SLA report of the quarter needs to be submitted by the successful bidder along with invoices in triplicate.

RFP for selection of System Integrator:CCTNS Odisha

	<p>ii. The contractor shall have no claim or reason to stop the services if payments are delayed. No interest on overdue (delayed) payment shall be made under any circumstances</p> <p>iii. Details of the payment process and any change will be governed as per SCC Clause No-26</p>
6.1	<p>Currency of Payment</p> <p>Except as may be otherwise agreed between the Client and the Service providers all payments under this agreement shall be made in Indian Rupees only.</p>
6.2	<p>Mode of Billing and Payment</p> <p>The billing and payment in respect of services shall be made as follows:</p> <p>a) Contract period shall be counted from the date of start of AMC, and this shall be confirmed by the Project –In-Charge, Odisha police.</p> <p>b) The Contractor shall have no claim or reason to stop the services if payments are delayed. No interest on overdue (delayed) payment shall be made under any circumstances.</p>
6.3	<p>Recovery</p> <p>Any sum falling due or any loss caused due to this agreement shall be recoverable by the client from the Service provider as if it were arrears of land revenue.</p>
7.0	<p>Fairness and Good faith</p>
7.1	<p>Good Faith</p> <p>The Parties undertake to act in good faith with respect to each other's rights under this agreement and to adopt all reasonable measures to ensure the realization of the objectives of this agreement.</p>
7.2	<p>Operation of the Agreement</p> <p>The parties recognize that it is impractical in this agreement to provide for every contingency which may arise during the life of the agreement, and the parties hereby agree that it is their intention that this agreement shall operate fairly as between them, and without detriment to the interest of either of them and that if during the term of this agreement either party believes that this agreement is operating unfairly, the parties will use their best efforts to agree on such action as may be necessary to remove the cause or causes of such unfairness, but on failure to agree on any action pursuant to this Clause shall give rise to a dispute subject to arbitration in accordance with GC Clause 9 thereof.</p>

RFP for selection of System Integrator:CCTNS Odisha

8.0	The Service provider shall be liable for defects, discrepancies and disorders etc. in works executed under his supervision.
9.0	Settlement of Disputes
9.1	Amicable Settlement The parties shall use their best efforts to settle amicably all disputes arising out of or in connection with this agreement or the interpretation thereof.
9.2	Dispute Settlement Any dispute between the parties as to matters arising pursuant to this agreement which cannot be settled amicably within thirty (30) days after receipt by one party of the other party's request for such amicable settlement may be submitted by either party for settlement in accordance with the provisions specified in the Special Conditions of Contract.
9.3	Jurisdiction The contract has been entered into the State of Odisha and its validity, construction, interpretation and legal effect shall be to the exclusive jurisdiction of the courts in Odisha. No other jurisdiction shall be applicable.
10.0	Transfer of ownership of the Hardware/ Software
10.1	The ownership of the hardware/license will be with the state after the successful delivery and inspection of the items delivered (in case of new procurement). The inspection of the items will be done in presence of both the bidder and the client party.

SECTION-VIII: SPECIAL CONDITIONS OF THE CONTRACT

- 1. Period of Contract:** The contract is valid for 5 years from the date of signing of MoU on AMC. This may be renewed subject to rendering of satisfactory service & fulfilling the term & conditions. Renewal of the contract is the sole discretion of the State. However, If there will be any proposal for extension after expiry of 5 years, then the purchaser will ask the SI to submit the Commercial proposals for such extension.
- 2.** The services shall be rendered onsite from the Odisha Police designated premises such as the police stations, sub-divisional offices, district headquarters/Commissionerate, Ranges, Odisha Police Headquarters and other locations across Odisha, where the software, hardware, and other infrastructure are installed.
- 3.** The number of IT equipment under AMC can be increased or decreased at the discretion of Odisha Police. The AMC against additional equipment, if any, asked, then the cost will be decided at that time.
- 4.** In case any hard disk drive of any server, SAN, or client machine is replaced during warranty / AMC the unserviceable HDD will be property of Odisha Police and will not be returned to SI.
- 5.** The Bidder should cooperate and support, if Odisha Police buys, any other supplemental hardware from a third party and installs it within these machines under intimation to the Bidder. However, the penalty charges/ outages will not apply to SI for such supplemental hardware items installed.
- 6.** Bidder shall have to stock and provide adequate onsite and offsite spare parts and spare component to ensure that the uptime commitment as per SLA is met.
- 7.** Any component that is reported to be down on a given date should be either fully repaired or replaced by temporary substitute (of equivalent configuration) within the time frame indicated in the Service Level Agreement (SLA).
- 8.** The Bidder shall develop and maintain an inventory database of all the DC/ DRC & client site hardware.
- 9.** Updates/Upgrades/New releases/New versions: The SI shall provide from time to time the Updates/Upgrades/New releases/New versions of the Application software, operating systems, etc. as required. The SI should provide free Updates and Patches of the software and tools to Odisha Police as and when released by OEM.
- 10.** Software License Management: The Bidder shall provide software license management and control. Bidder shall maintain data regarding entitlement for application software upgrades, enhancements, refreshes, replacements, and maintenance.
- 11.** The Bidder shall have complete manufacturer's technical support for all the licensed software problems and/or questions, technical guidance, defect and non-defect related issues.
- 12.** The Bidder shall provide a single-point-of-contact for software support and provide licensed software support including but not limited to problem nclusiv, problem source identification, problem impact (severity) determination, bypass and recovery support, problem resolution, and management reporting.

RFP for selection of System Integrator:CCTNS Odisha

- 13.**The Bidder would be responsible for arrangements with Manufacturer for all the technical support which shall at a minimum include but not limiting to online technical support and telephone support during the Odisha Police's business hours (Business hours in Odisha Police will be from 0900 hours to 2000 hours from (Mon-Sat) with one hour break for lunch. Again for Servers and other components for Data Centre which enable successful usage of CCTNS solution the working time should be considered as 24 hours for all the days of the week. It is desired that IT maintenance, other batch processes (like backup) etc. should be planned. So that such backend activities have minimum effect on the performance.
- 14.**Any up-gradation or schedule maintenance activity should be done after business hours preferably in weekend if not urgent.
- 15.**Access for SI to the manufacturer's technical support staff to provide a maximum of 4 hour response turnaround time. There should not be any limits on the number of incidents reported to the manufacturer by SI as part of provisioning of support services to Odisha Police. SI shall have access to the online support and tools provided by the manufacturer as well as should have 24x7 access to a variety of technical resources including the manufacturer's knowledge base with complete collections of technical articles specifically for Odisha Police.
- 16.**Whenever required by Odisha Police, Bidder should be able to provide additional reports in a pre-specified format. The indicative services as part of this support are as below:
 - System Administration, Maintenance & Management Services
 - Application Monitoring Services
 - Backend Services (Mail, messaging, etc.)
 - Storage Administration and Management Services
 - IT Security Administration Services and Services for ISO 27001 and ISO 20000 compliance
 - Backup and Restore Services
 - SMS Gateway
 - Work flow design, analysis
 - Additional Scripting of CAS application
 - Any hard disk that becomes faulty will be kept at PS level as it contains confidential client data.
- 17.**The details of the existing equipment installed at DC & DRC to be covered under AMC, are given in the Annexure- C attached to this RFP. The bidders are required to quote comprehensive AMC charges for each of the item in existing hardware list for the period of five years.
- 18.**The quoted rates will include the cost of all labor, material and Transport & Packaging to complete the job in totality.
- 19.**Bidders are expected to inspect the equipment's before quoting the price for the AMC after obtaining prior approval from Odisha police. The bidder must share the name of project director and escalation matrix within 07 days of issue of LOI/purchase order from the Employer.

RFP for selection of System Integrator:CCTNS Odisha

20. Senior most resource shall be the team head and shall co-ordinate with SCRB.
21. The project director must supervise the activity and may have regular interaction with the Employer and onsite team to ensure quality of the work and prompt action for any kind of issue escalated to him/her.
22. The bidder is expected to provide experienced and skilled personnel at each location as per the ANNEXURE-D. However, the resources are to be deployed centrally in Bhubaneswar.
23. The scope of the services for the Data Centre shall be on 365x24x7 basis. However, for the client locations it will be based on business hours as defined in this RFP.
24. Performance Bond/ Bank Guarantee/ Security Deposit: The Vendor shall submit a Performance Bank Guarantee (PBG) for 3 % of the total estimated value of the contract in favour of The Director, SCRB, Odisha, payable at Bhubaneswar, issued by a Nationalised/ scheduled public sector bank authorized to conduct government business in the prescribed format within 15 days from the date of contract/issue of work order.
25. The PBG should remain valid for a period of 60 days beyond the date of completion of contractual obligations/warranty. The PBG will be returned to the Vendor on successful completion of all his obligations under the contract/ work order. In case the execution of the contract/ work order is delayed beyond the contracted period and the Client grants extension of delivery period, with or without LD, the supplier must get the BG revalidated, if not already valid.
26. **Payment schedule:**

Payment for **the AMC of DC, 862 Client locations**: The successful bidder will sign a Service Level Agreement (SLA) with Odisha Police covering all the required services. The total contract of Comprehensive warranty will be equally divided into 20 Quarterly payments. The payment will be made on completion of each Quarter. The payment milestone is mentioned in the Annexure-E.
27. All payments to the System Integrator shall be made upon submission of invoices along with relevant sign-offs from Odisha Police.
28. The bidder shall have to provide back to back support for Data Centre equipment Cisco switches, IBM Storage from their OEM/ other equipments installed.
29. Any change in payment process will be done on mutual consent of both the parties in the interest of the project.
30. The payment of the bidder will be released after necessary deduction of taxes as applicable.
31. Quality of Spares: The equipment parts replaced must be new and equivalent in performance of existing parts or higher. Any deviation detected shall be considered as SLA violation and the contract may be terminated with additional penalty with two times the cost of the original equipment at present rate where the quality is compromised. The support should not be provided
32. Additional Charges: The AMC cost includes the traveling cost for rendering service throughout the year for one or all locations & for one or all systems.
33. The replacement of all the spares (excluding consumables such as Printer Toner, UPS Batteries, POL for generator) is included under the AMC. The replacement of

RFP for selection of System Integrator:CCTNS Odisha

defective spares with good quality and standard spares will be done by the bidder without any extra charge of any kind.

- 34.**The maintenance work shall normally be done during business hours as defined under Service Level Agreement (SLA). However, in case of emergency maintenance may have to be done beyond office hours and even on holidays prior arrangement through proper communication should be worked out in all cases by the servicing agencies.
- 35.**The operating environment condition in which the equipment is presently installed is quite satisfactory and the Bidder will not raise any condition with regard to the working environments for the equipment covered under AMC. In such cases, the OEM shall be liable for resolution of the same.
- 36.**The vendor has to do the overall management of the existing OEM of CCTNS Odisha. The vendor has to co-ordinate, liaison and manage the software licenses of all the IT infrastructures of DC/ DRC & Client Locations in compliance to the SLA.
- 37.**The bidder shall have to abide by all “terms & conditions” of the RFP, bidder may please note that the prices quoted shall include all required works to be done for the satisfactory completion of the entire scope during the contracted period.
- 38.**Replacement of burnt part of equipment’s is also covered under the scope of the successful bidder, for which no extra payment shall be made excluding force majeure conditions. Replacement of burnt parts shall be covered under AMC.
- 39.**The Purchaser reserves right to modify the terms and conditions of the Contract, during the Project execution, so as to meet contingency situations, which can arise from time to time. Such modifications would be discussed and agreed upon by the successful bidder taking into consideration the Cost, time and other implications. After finalization of modification, the Contract Agreement may be suitably amended,if required.
- 40.**Successful bidder shall provide comprehensive maintenance services, including labor, repair and replacement of the faulty parts, for equipment specified in Annexure-C in order to keep the equipment’s in good working condition. The successful bidder shall keep sufficient quantity of spare parts as applicable to the items in the scope of coverage for rendering AMC services with the minimum possible downtime throughout the tenure of the contract.
- 41.**The maintenance service does not include Electrical work external to equipment or maintenance of accessories, attachments, equipment or other devices not covered under the agreement Within 14 days from the award of contract, the successful bidder, shall commence the services, covering the entire scope of work.
- 42.**Document submission & approval process: The document submitted by the bidder during the period of the contract will be vetted by Odisha Police and the feedback or the approval will be intimated to the bidder within 15 business days of the submission of the document.
- 43.**The identified “Key Personnel” shall not be removed or replaced without the prior written consent of client.
- 44.**Under exceptional circumstances, if the Key Personnel are to be replaced or removed

owing to factors beyond the control of the bidder, the bidder shall provide the profiles of personnel being proposed as replacements, which will be equivalent or better than the resource being replaced. Client will have the right to accept or reject these substitute profiles. Final decision on replacement will remain with the client. In case client not responding within 30 working days of replacement profile being submitted and evaluated, it would be deemed to be accepted.

45. Intellectual Property Rights

(i) Products and fixes: All products and related solutions and fixes provided pursuant to this work order shall be licensed, according to the terms of the license agreement packaged with or otherwise applicable to such product in the name of ODISHA POLICE. Bidder would be responsible for arranging any licenses associated with products. **“Product”** means any computer code, web-based services, or materials comprising commercially released, pre-release or beta products (whether licensed for a fee or no charge) and any derivatives of the foregoing which are made available to ODISHA POLICE for license which is published by product owner or its affiliates, or a third party.

“Fixes” means product fixes that are either released generally (such as commercial product service packs) or that are provided to you when performing services (such as workarounds, patches, bug fixes, beta fixes and beta builds) and any derivatives of the foregoing.

(ii) Customized CAS (State): SI shall neither hold nor shall claim to have any type of right(s) for the customization made in the Core Application Software (State) or on the additionally developed modules/ applications/ utilities/ APIs including source code and material (including upgrade/ updates/ fixes/ patches/etc.), as done during the implementation of the project and shall always lie with the ODISHA POLICE.

(iii) Bespoke development: The IPR rights for any bespoke development done during the implementation of the project will lie with ODISHA POLICE.

(iv) Pre-existing work: All IPR including the source code and materials (other than products or fixes) developed or otherwise obtained independently of the efforts of a party under this agreement (**“pre-existing work”**) shall remain the sole property of that party. During the performance of the services for this agreement, each party grants to the other party (and their sub-contractors as necessary) a nonexclusive license to use, reproduce and modify any of its pre-existing work provided to the other party solely for the performance of such services. Except as may be otherwise explicitly agreed to in a statement of services, upon payment in full, the bidder should grant ODISHA POLICE a non-exclusive, perpetual, full use, fully paid-up enterprise edition license(s) to use, reproduce and modify (if applicable) the pre-existing work in the form delivered to ODISHA POLICE as part of the service deliverables only for its internal business operations. Under such license either of parties will have no right to sell the pre-existing work of the other party to a Third Party.

ODISHA POLICE’s license to pre-existing work is conditioned upon its compliance with the terms of this agreement and the perpetual license applies solely to the pre-existing work that bidder leaves with ODISHA POLICE at the conclusion of

performance of the services.

- (v) All proposals and accompanying documentation of the Technical proposal will become the property of SCRB, Rasulgarh, Bhubaneswar, Odisha Police and will not be returned after opening of the technical proposals. The commercial proposals that are not opened will be returned to the bidders. SCRB, Odisha is not restricted in its rights to use or disclose any or all of the information contained in the proposal and can do so without compensation to the bidders. SCRB, Odisha shall not be bound by any language in the proposal indicating the confidentiality of the proposal or any other restriction on its use or disclosure.

46. Liquidated Damages:

In the event of the Bidder's failure to submit the Bonds, Guarantees and Documents and supply the solution / equipment as per schedule specified in this RFP, SCRB, Odisha may at its discretion withhold any payment until the completion of the contract. SCRB, Odisha may also deduct from the Bidder as agreed, liquidated damages to the sum of 0.5% of the contract price of the delayed/ undelivered services for every week of delay or part of a week, subject to the maximum value of the Liquidated Damages being not more than 10% of the value of delayed services. This right to claim any liquidated damages shall be without prejudice to other rights and remedies available to SCRB, Odisha under the contract and law.

- 47. Exit Management:** The notice period for the exit management of the bidder will be 60 days prior to end of the contract and the bidder has to plan the exit management as per the Exit management Schedule given in the RFP.

- 48. Change Control Schedule:** *In case there are changes in technology and new technology introduced in the project of CCTNS, if any additional resource is deployed, then any additional cost will be paid by SCRB by following the proper procurement guidelines.*

The technology is continuously changing and for implementation of Artificial Intelligence, Big data analysis which can enhance the utilization of CCTNS. If any resource is needed to be deployed then additional payment shall be made for such additional resources.

49. Financial Proposal:

- *Monthly cost for Artificial Intelligence analysis. (Optional)*
- *Monthly cost for Big data. (Optional)*

COST TO BE PROVIDED:-

- *Additional rates of AMC for all the hardwares, supply of windows OS and Microsoft perpetual licences and support will be ended on 2022, which will be upgraded accordingly.*
- *Antivirus during the O & M phase to be procured as per need.*

SECTION-IX: PRE-QUALIFICATION & TECHNICAL PROPOSAL FORMS

The bidders are expected to respond to the RFP using the forms given in this section and all documents supporting Pre-Qualification / Technical Evaluation Criteria.

Pre-Qualification Bid & Technical Proposal shall comprise of following forms:

Tech Forms to be used in Pre-Qualification Proposal

Tech Form 1: Compliance Sheet for Pre-qualification Proposal

Tech Form 2: Particulars of the Bidder

Tech Form 3: Bank Guarantee for Earnest Money Deposit

Tech Forms to be used in Technical Proposal

Tech Form 4: Letter of Proposal

Tech Form 5: Project Citation Format

Tech Form 6: Approach & Methodology

Tech Form 7: Proposed Work Plan

Tech Form 8: Team Composition

Tech Form 9: Curriculum Vitae (CV) of Key Personnel

Tech Form 10: Deployment of Personnel

Tech Form 11: Deviations

Tech Form 12: Manufacturers'/Producers' Authorization Form

Tech Form 13: RFP Clarifications Form

Tech Form 14: Undertaking (On Bidder's Letter Head)

RFP for selection of System Integrator:CCTNS Odisha

Tech Form 1: Compliance Sheet for Pre-qualification Proposal

The pre-qualification proposal should comprise of the following basic requirements. The documents mentioned in this compliance sheet along with this form, needs to be a part of the Pre-Qualification proposal.

Sl. No.	Basic Requirement	Required	Provided	Reference & Page Number
1.	Legal Entity	Duly attested Copy of Certificate of Incorporation with commencement of business issued by the registrar of company in India	Yes / No	
2.	Power of Attorney	Copy of Power of Attorney in the name of the Authorized signatory.	Yes / No	
3.	Non-refundable Tender Fee	Demand Draft	Yes / No	
4.	Earnest Money Deposit	Demand Draft / Bank Guarantee (Form 3)	Yes / No	
6.	Annual Turnover from IT/ ITES business for the last 3 financial year for bidder	Certificate from the statutory auditor; OR Certificate from the statutory auditor for the last 3 Financial year for IT/ITES business	Yes / No	

RFP for selection of System Integrator:CCTNS Odisha

Tech Form 2: Particulars of the Bidder

SI No.	Information Sought	Details to be Furnished
A	Name and address of the bidding Company	
B	Incorporation status of the firm (Public limited / private limited, etc.)	
C	Year of Establishment	
D	Date of registration	
E	ROC Reference No.	
F	Details of company registration	
G	Details of registration with appropriate authorities for service tax	
H	Name, Address, email, Phone nos. and Mobile Number of Contact Person	

The bidder has to submit the Bid Security Declaration form along with the bid in following format

Tech Form 3: Bid Security Declaration Form

Date:_____ Tender No._____

To(Insert complete name and address of the purchaser)

I/We. The undersigned, declare that :

I/We understand that, according to ypur conditions, bids must be supported by a Bid Securing Declaration.

I/We accept that I/We may be disqualify from bidding for any contract with you for a period of two year from the date of notification if I/We are in breach of any obligation under the bid conditions, because I/We

- a) Have withdrawn/ modified/ amended, impairs or derogates from the tender, my/ our Bid during the period of bid validity specified in the form of Bid; or
- b) Having been notified of the acceptance of our Bid by the purchaser during the period of bid validity (i) fail or refuse to execute the contract, if required, or (ii) fail or refuse to furnish the Performance Security, in accordance with the Instructions to bidders.

I/We understand this Bid Securing Declaration shall cease to be valid if I am/We are not the successful Bidder, upon the earlier of (i) the receipt of your notification of the name of the successful Bidder; or (ii) thirty days after the expiration of the validity of my/our Bid.

RFP for selection of System Integrator:CCTNS Odisha

Tech Form 5: Project Citation Format

The bidder needs to submit the details/supporting documents of relevant project citation as per Technical evaluation scoring matrix in Section-VI of this RFP.

Relevant IT project	
General Information	
Name of the project	
Client for which the project was executed	
Name and contact details of the client	
Project Details	
Description of the project	
Scope of services	
Technologies used	
Outcomes of the project	
Other Details	
Total cost of the project	
Total cost of the services provided by the respondent	
Duration of the project (no. of months, start date, completion date, current status)	
Other Relevant Information	
Letter from the client to indicate the successful completion of the projects	
Copy of Work Order	

For each hardware, provide the following information in a table

- (i) Reference of the server/storage information in the Submitted Proposal (Please provide page number/section number/ volume)
- (ii) Services proposed to be hosted on the Server
- (iii) Quantity, Make and Model
- (iv) Year of Introduction
- (v) Operating System along with version (if applicable)
- (vi) Processor and Number of Cores Offered (if applicable)
- (vii) Architecture (RISC/EPIC/CISC) (if applicable)
- (viii) RAM/HDD/LAN Ports/ HBA (as relevant)
- (ix) Additional Information as required to indicate the compliance to the requirements in the RFP (ex, Capacity, Disk Space) (if applicable)

Tech Form 6: Approach & Methodology

The bidder needs to submit the details/supporting documents as per Technical evaluation scoring matrix in Section-VI of this RFP. Technical approach, methodology and work plan are key components of the Technical Proposal. You are suggested to present your Technical Proposal divided into the following three chapters:

1. Understanding of the project
 - a) About Odisha Police
 - b) Objective about the assignment

2. Understanding of Core Application Software (State) for CCTNS on MS Stack and Integration with other agency
 - a) Understanding of CAS State
 - b) CAS customization approach, bug testing and rollout strategy
 - c) MIS report customization
 - d) Integration with other e-Gov services
 - e) Understanding for bi-lingual support
 - f) Understanding of the project (how the solution proposed is relevant to the understanding)
 - g) Technical Approach and Methodology

3. Understanding of Client Site and Data Centre
 - a) Understanding of Client site activity
 - b) Understanding of Data Centre Activity
 - c) Understanding on VM ware & cloud services
 - d) Understanding on DR data replication, data integrity check

4. Risk and Mitigation Plan
5. Approach for taking over the project from existing SI
6. Exit management and KT planning

Tech Form 6A: Bill of Material for Data Centre/ DRC Hardware

Please refer Annexure-C for Bill of material for Data Centre Hardware and give a confirmation that the AMC support will be provided for all the hardware as per the bill of material for Data Centre Hardware. If any suggestion the bidder may furnish the details here

RFP for selection of System Integrator:CCTNS Odisha

Tech Form 6B: Bill of Material for Data Centre/ DRC Support and License-OS & Application

Please refer Annexure-C for Bill of material for Data Centre support and license for OS & application, and give a confirmation that the AMC support will be provided for all the software, application, tools as per the bill of material for Data Centre software and license. If any deviation the bidder may suggest or clarify during the pre-bid

Tech Form 6C: Bill of material for 862 client site hardware

Please refer Annexure-C for Bill of material for client site Hardware and give a confirmation that the AMC support will be provided for all the hardware as per the bill of material for client site Hardware

**In case if there is any increase of higher offices during the AMC period, the bidder will extend support to those locations if they use the CCTNS hardware and software of the existing assets.*

ANNEXURE- B: Service Level Agreement

ANNEXURE IV- Part A

Part- A: Service Level agreement for the AMC of the 862 locations

1. Service Level Agreement

This document describes the service levels to be established for the Service offered by the SI to the state. The SI shall monitor and maintain the state service levels to provide quality service to the state.

Definitions.

- (a) **“Scheduled Maintenance Time”** shall mean the time that the System is not in service due to a scheduled activity as defined in this SLA. The scheduled maintenance time would not be during 16x6 timeframe. Further, scheduled maintenance time is planned downtime with the prior permission of the state.
- (b) **“Scheduled operation time”** means the scheduled operating hours of the System for the month. All scheduled maintenance time on the system would be deducted from the total operation time for the month to give the scheduled operation time. The total operation time for the systems and applications within the Primary DC and critical client site infrastructure will be 24x7x365. The total operation time for the client site systems shall be 8 hours on the normal business days. However, the SI has to extend support on holidays as and when requirement comes.
- (c) **“Scheduled Business Operation Time”** means the scheduled availability of the Support for the Application and DC Infrastructure for the month. All scheduled maintenance time on the system would be deducted from this time. This will be 16 X 6 on Business Days.
- (d) **“System or Application downtime”** means accumulated time during which the System is totally inoperable within the Scheduled Operation Time but outside the scheduled maintenance time and measured from the time the state / UT and/or its employees log a call with the SI team of the failure or the failure is known to the SI from the availability measurement tools to the time when the System is returned to proper operation.
- (e) **“Availability”** means the time for which the services and facilities are available for conducting operations on the state system including application and associated infrastructure during the **“Scheduled Business Operation Time”**. Availability is defined as:

$(\text{Scheduled Business Operation Time} - \text{System Downtime}) / (\text{Scheduled Business Operation Time}) * 100\%$

RFP for selection of System Integrator: CCTNS Odisha

- (f) **“Helpdesk Support”** shall mean the 16x6 basis. Support which shall handle Fault reporting, Trouble Ticketing and related enquiries during this contract. However, support system for the DC will be on 24X7 basis.
- (g) **“Incident”** refers to any event / abnormalities in the functioning of the Data Centre Equipment / Services that may lead to disruption in normal operations of the Data Centre, System or Application services.

2. Interpretations

- (a) The peak hours are 6:00AM to 10:00PM on all working days (Mon-Sat) excluding Public Holidays or any other Holidays observed by the Odisha Police (Except Police Stations). The SI however recognizes the fact that the Odisha Police offices will require to work beyond the Peak hours on need basis.
- (b) “Lean Hours” shall mean hours excluding “Peak Hours”.
- (c) The business hours are 6.00 AM to 10:00 PM on all working days (Mon-Sat) excluding Public Holidays or any other Holidays observed by the state. The SI however recognizes the fact that the state offices will require to work beyond the business hours on need basis.
- (d) “Non-Business Hours” shall mean hours excluding “Business Hours”.
- (e) The availability for a cluster will be the average of availability computed across all the servers in a cluster, rather than on individual servers. However, non-compliance with performance parameters for infrastructure and system / service degradation will be considered for downtime calculation.
- (f) The SLA parameters shall be monitored on a monthly basis as per the individual SLA parameter requirements. However, if the performance of the system/services is degraded significantly at any given point of time during the contract and if the immediate measures are not implemented and issues are not rectified to the complete satisfaction of the state or an agency designated by them, then the state will have the right to take appropriate disciplinary actions including termination of the contract.
- (g) A Service Level violation will occur if the SI fails to meet Minimum Service Levels, as measured on a quarterly basis, for a particular Service Level. Overall Availability and Performance Measurements will be on a monthly basis for the purpose of Service Level reporting. An “Availability and Performance Report” will be provided by the SI on monthly basis in the state suggested format and a review shall be conducted based on this report.
- (h) A monthly Availability and Performance Report shall be provided to the state at the end of every month containing the summary of all incidents reported and associated SI performance measurement for that period. The monthly Availability and Performance Report will be deemed to be accepted by the State upon review and signoff by both SI and the state. Where required, some of the Service Levels will be assessed through audits or reports e.g. utilization reports, measurements reports,

RFP for selection of System Integrator: CCTNS Odisha

etc., as appropriate to be provided by the SI on a monthly basis, in the formats as required by the state. The tools to perform the audit will need to be provided by the SI.

- (i) Audits will normally be done on regular basis or as required by the state and will be performed by the state or the state appointed third party agencies.
- (j) EMS system as specified in this RFP shall play a critical role in monitoring the SLA compliance and hence will have to be customized accordingly. The 3rd party testing and audit of the system shall put sufficient emphasis on ensuring the capability of EMS system to capture SLA compliance correctly and as specified in this RFP. The selected System Integrator (SI) must do the maintenance and support of EMS tool and develop additional scripts (if required) for capturing the required data for SLA report generation in automated way. This tool should generate the SLA Monitoring report in the end of every month which is to be shared with the state on a monthly basis. The tool should also be capable of generating SLA reports quarterly. The state will audit the tool and the scripts on a regular basis.
- (k) SLAs will be subject to being redefined, to the extent necessitated by field experience at the police stations / higher offices and the developments of technology practices globally. The SLAs may be reviewed on an annual/bi-annual basis as the state decides after taking the advice of the SI and other agencies. All the changes would be made by the state in consultation with the SI.
- (l) The SI is expected to provide the following service levels. In case these service levels cannot be achieved at service levels defined in the tables below, it shall result in a breach of contract and invoke the penalty clause. Payments to the SI are linked to the compliance with the SLA metrics laid down in the tables below. The penalties will be computed and calculated as per the computation explained in SLA document. During the contract period, it is envisaged that there could be changes to the SLA, in terms of addition, alteration or deletion of certain parameters, based on mutual consent of both the parties i.e. the state and SI.
- (m) Mean Time Between Failures (MTBF): If during contract period, any equipment has a hardware failure on four or more occasions in a period of less than three months, it shall be replaced by equivalent or higher-level new equipment by the SI at no cost to Odisha Police. However, if the new equipment supplied is priced lower than the price at which the original item was supplied, the differential cost should be refunded to Odisha Police. For any delay in making available the replacement and repaired equipments for inspection, delivery of equipments or for commissioning of the systems or for acceptance tests / checks on per site basis, Odisha Police reserves the right to charge a penalty. However, all the hardware procured by SCRB are under warranty of 3-5 years. On expiry of the warranty, the AMC will be carried out by the SI on issue of workorder accordingly.
- (n) SI shall track and report observed Mean Time Between Failures (MTBF) for Hardware
- (o) The Service Level Agreements (SLAs) definition facility must support defining a set of one or more service Guarantees that specify the Service obligations stipulated in

RFP for selection of System Integrator: CCTNS Odisha

an SLA contract for a particular time period (weekly, monthly, and so on). Guarantees supported must include one that monitors service availability (including Mean Time to Repair (MTTR), Mean Time between Failure (MTBF), and Maximum Outage Time thresholds) and the other that monitors service transaction response time.

- (p) Following tables outlines the key service level requirements for the system, which needs be ensured by the SI during the operations and maintenance period. These requirements shall be strictly imposed and either the state or a third party audit/certification agency shall be deployed for certifying the performance of the SI against the target performance metrics as outlined in the tables below

3. Implementation Phase SLAs

The SLA will be applicable for delay in implementation timeline also including the fault related issue. SLA will be applicable for O&M once the site is declared commissioned

Violations and Associated Penalties during the implementation phase:

- (a) The primary intent of Penalties is to ensure that the system performs in accordance with the defined service levels. Penalties are not meant to be punitive or, conversely, a vehicle for additional fees.
- (b) **Penalty Calculations.** The framework for Penalties, as a result of not meeting the Service Level Targets are as follows:
- (i) The performance will be measured for each of the defined service level metric against the minimum / target service level requirements and the violations will be calculated accordingly.
 - (ii) The number of violations in the reporting period for each level of severity will be totaled and used for the calculation of Penalties.
 - (iii) The bidder will be exempted of any penalty for any delay in implementation of 2 week up to a maximum of 4 weeks beyond which the delay will be dealt with penalty on per week basis.
 - (iv) For any delays due to circumstances which are not in control of the bidder, the State level committee shall take a decision to provide further exemptions based on appropriateness of the reason mentioned.
 - (v) Penalties applicable for each of the high severity violations is 0.1% of respective payment-period payment to the SI.
 - (vi) A penalty at 0.1% per week subject to a maximum of 10% of the contract value will be charged. Penalty will be computed on contract value.
 - (vii) Penalties applicable for each of the medium severity violations is 0.05% of respective payment-period payment to the SI.

4. Operations & Maintenance Phase SLAs

Primary DC Site Infrastructure Systems and Application Availability and Performance

Production CAS Systems: The failure or disruption has a direct impact on the state's ability to service its police stations / higher offices, ability to perform critical back-office functions or a direct impact on the organization. This includes but not limited to:-

- (i) Storage and related switches at Primary DC/DRC.
- (ii) Web, Application, Database, and Backup Servers at Primary DC/DRC.
- (iii) Primary DC/DRC network infrastructure.
- (iv) Primary DC/DRC security infrastructure.

Non-CAS Systems in Production and Non Production Systems (Development, QA, and Training). The failure or disruption has no direct impact on the state's ability to serve its police stations / higher offices, or perform critical back-office functions.

- (i) **Production Non CAS Servers.**
- (ii) **Test, QA and Training Servers.**
- (iii) **Helpdesk infrastructure & applications.**
- (iv) **EMS Infrastructure.**

CAS Solution Components: The failure or disruption has a direct impact on the state's ability to service its police stations / higher offices, ability to perform critical back-office functions or a direct impact on the organization.

Non CAS Solution Components: The failure or disruption has no direct impact on the state's ability to serve its police stations / higher offices, or perform critical back-office functions.

In case of reason of any violation leading to core application delivered by SDA / NCRB and not attributable to the SI, the incident will be excluded from the calculation of SLA.

5. Data Centre Infrastructure Support: The below tables gives details on the Service Levels the SI should maintain for the Data Centre support. These service levels will be monitored on monthly/quarterly basis.

- (a) **Level 1/ High Incidents.** The incident has an immediate impact on the state's ability to service its police stations / higher offices, to perform critical back-office functions or has a direct impact on the organization.
- (b) **Level 2/ Medium Incidents.** The incident has an impact on the state's ability to service its police stations / higher offices that while not immediate, can cause service to degrade if not resolved within reasonable time frames
- (c) The scheduled operation time for the Data Centre systems shall be on 24 hours basis.

Availability of DC Infrastructure:

Service Level Description	Measurement	
Infrastructure Availability	a. Availability of production CAS systems shall be at least 99% Severity of Violation: High	
	Availability over the three month period	Violations for calculation of penalty
	< 99% & >= 98.5%	1
	< 98.5% & >= 98%	2
	< 98%>	3
	In addition to the above, if the service level in any month in the three-month period falls below 98%, one (1) additional violation will be added for each such month to the overall violations for this service level.	
	b. Availability of non-CAS systems in production and nonproduction systems shall be at least 97%. Severity of Violation: Medium	
	Availability over the three month Period	Violations for calculation of penalty
	< 97% & >= 96.5%	1
	< 96.5% & >= 96%	2
	< 96%	3
	In addition to the above, if the service level in any month in the three-month period falls below 96%, one (1) additional violation will be added for each such month to the overall violations for this service level.	

RFP for selection of System Integrator: CCTNS Odisha

Performance of DC Infrastructure:

Service Level Description	Measurement	
Infrastructure Performance	Performance of production / non-production systems running in DC of CCTNS Odisha. a. Severity of violation: High b. Parameters: <ul style="list-style-type: none"> i. Sustained period of peak CPU utilization of any server crossing 70% (with the exception of batch processing) shall be less than or equal to 30 minutes. ii. Sustained period of peak I/O utilization of any server crossing 70% (with the exception of batch processing) shall be less than or equal to 30 minutes. iii. Sustained period of peak memory utilization of any server crossing 70% (with the exception of batch processing) shall be less than or equal to 30 minutes. c. Each occurrence where the peak CPU/IO/ Memory utilization of any server crosses 70% (with the exception of batch processing) and stays above 70% for time more than 30 minutes will be treated as one (1) instance.	
	Number of instances over the three month period	Violations for calculation of penalty
	>0 & <=3	1
	> 3	2
	In addition to the above, if the number of instances in any month in the three-month period exceeds 3, one (1) additional violation will be added for each such month to the overall violations for this service level.	
Application Availability	Availability of CAS solution components measured within the Data Center shall be at least 99.9% Severity of Violation: High This service level will be monitored on a monthly basis.	
	Availability over the three month period	Violations for calculation of penalty
	< 99.9% & >= 99.5%	1
	< 99.5% & >= 99%	2
	< 99%	3
In addition to the above, if the service level in any month in the three-month period falls below 99%, one (1) additional violation will be added for each such month to the overall violations for this service level.		

RFP for selection of System Integrator: CCTNS Odisha

Application Availability	Availability of Non-CAS solution components measured within the Data Center shall be at least 97% Severity of Violation: Medium This service level will be monitored on a monthly basis.	
	Availability over the three month period	Violations for calculation of penalty
	< 97% & >= 96%	1
	In addition to the above, if the service level in any month in the three-month period falls below 96%, one (1) additional violation will be added for each such month to the overall violations for this service level.	
Application support Performance	Average application response time during peak usage hours as measured from a client terminal within the Data Center shall not exceed 4 seconds. Severity of Violation: High This service level will be monitored on a monthly basis.	
	Average application response time over the three-month period	Violations for calculation of penalty
	> 4s & <= 5s	2
	> 5s & <= 6s	4
	> 6s	5
	In addition to the above, if the average turnaround time in any month in the three-month period goes beyond 6s, one (1) additional violation will be added for each such month to the overall violations for this service level.	
Replacement of hardware	Replacement of hardware equipment shall be done within 15 days of notification by the state. These equipment would have failed on four or more occasions in a period of less than three months or six times in a period of less than twelve months. (Mean Time Between Failure Condition) Severity of Violation: High Each instance of non-meeting this service level will be treated as one (1) violation.	
	Up to date of the documentation of the design, modifications, enhancements, and fixes.	
	Severity of Violation: Medium This service level will be measured on a quarterly basis. Each instance of non-meeting this service level will be treated as one (24) violation.	

RFP for selection of System Integrator: CCTNS Odisha

Sl. No.	Category	Details of Components/ Incidents	Severity	Incident Resolution Time (Business Hours)	Availability/ Performance
1.	Client Application	CAS Online/ Offline Incidents	High	16hrs	99%
		CAS User ID creation			
		User ID Transfer			
		User ID Role Change/ Modification			
		User right assignment			
		Unable to Login/ Access in CAS			
		Unable to submit FIR/ Form			
		Deletion of FIR			
		Unable to Register FIR			
		CAS user password reset			
		New E-mail user ID creation/ customization			
2.		Antivirus client installation & Patch update related to the client PC			
		E-mail operational related activities say issues like password reset, unable to open			

RFP for selection of System Integrator: CCTNS Odisha

Client site Application Support

Service Level Description	Measurement	
<p>Application Support Performance</p>	<p>99% of the Level 1 defects shall be resolved within 2 business days from the time of reporting full details. The maximum resolution time for any incident of this nature shall not exceed 16 business hours. Severity of Violation: High This service level will be monitored on a monthly basis.</p>	
	<p>Performance over the three month period</p>	<p>Violations for calculation of penalty</p>
	<p>< 99% & >= 98.5%</p>	<p>1</p>
	<p>< 98.5% & >= 98%</p>	<p>2</p>
	<p>< 98%></p>	<p>3</p>
	<p>In addition to the above, if the service level in any month in the Three-month period falls below 98%, one (1) additional violation will be added for each such month to the overall violations for this service level.</p>	
	<p>Performance over the three month period</p>	
	<p>Violations for calculation of penalty</p>	
	<p>< 95% & >= 90%</p>	<p>1</p>
	<p>< 90% & >= 85%</p>	<p>2</p>
<p>< 85%</p>	<p>3</p>	
<p>In addition to the above, if the service level in any month in the Three-month period falls below 85%, one (1) additional violation will be added for each such month to the overall violations for this service level.</p>		
	<p>Up to date of the documentation of the design, modifications, enhancements, and defect-fixes in the Six-monthly period. Severity of Violation: Medium This service level will be measured on a Six-monthly basis. Each instance of non-meeting this service level will be treated as one (1) violation.</p>	

6. Helpdesk support

- a) **Level 1 Calls.** The failure to fix has an immediate impact on the state's ability to service its police stations / higher offices, inability to perform critical back-office functions or a direct impact on the organization.
- b) **Level 2 Calls.** The failure to fix has an impact on the state's ability to service its police stations / higher offices that while not immediate, can cause service to degrade if not resolved within reasonable time frames.
- c) This service level will be monitored on a daily/weekly/monthly basis.
- d) The below tables gives details on the Service Levels the SI should maintain.

Service Level Description	Measurement	
Helpdesk Performance	98% of the calls shall be answered within 30 minutes from the time of call logged to helpdesk during the business hour defined in the RFP.	
	Severity of Violation: High This service level will be monitored on a monthly basis	
	Performance over the three-month period	Violations for calculation of penalty
	< 98% & >= 90%	1
	< 90% & >= 80%	2
	< 80%	3
	In addition to the above, if the service level in any month in the Three-month period falls below 80%, one (1) additional violation will be added for each such month to the overall violations for this service level.	
Helpdesk Performance	98% of the non SI supported (Bandwidth SP and Application SDA) incidents shall be routed to the appropriate service provider within 30 minutes through the Service Desk Tool which has been developed by the existing SI.	
	Severity of Violation: Medium This service level will be monitored on a monthly basis.	
	Performance over the three-month period	Violations for calculation of penalty
	< 98% & >= 90%	1
	< 90% & >= 80%	2
	< 80%	3
	In addition to the above, if the service level in any month in the Three-month period falls below 80%, one (1) additional violation will be added for each such month to the overall violations for this service level	

RFP for selection of System Integrator: CCTNS Odisha

Helpdesk Performance for DC	CAS Infrastructure/Application: 99% of the Level 1 calls within helpdesk resolution capacity shall be resolved within 2 hours from call received / logged whichever is earlier. The maximum resolution time for any incident of this nature shall not exceed 8 hours. Severity of Violation: High This service level will be monitored on a monthly basis	
	Performance over the three month period	Violations for calculation of penalty
	< 99% & >= 98.5%	1
	< 98.5% & >= 98%	2
	< 98%>	3
	In addition to the above, if the service level in any month in the Three-month period falls below 98%, one (1) additional violation will be added for each such month to the overall violations for this service level	
	Non CAS Infrastructure/ Application: 95% of the Level 2 calls shall be resolved within 6 hours from call received / logged whichever is earlier. The maximum resolution time for any incident of this nature shall not exceed 24 hours. Severity of Violation: Medium This service level will be monitored on a monthly basis	
	Performance over the three month period	Violations for calculation of penalty
	< 95% & >= 90%	1
	< 90% & >= 85%	2
< 85%	3	
In addition to the above, if the service level in any month in the Three-month period falls below 85%, one (1) additional violation will be added for each such month to the overall violations for this service level.		

- e) Above mentioned timeline are applicable for a site, which is connected to DC. If the site connectivity is not available in between, the time of unavailability will be deducted from the time taken to fix the problem.

7. Reporting

The below tables gives details on the Service Levels the SI should maintain for client site systems availability.

Service Level Description	Measurement	
Availability and Performance Report	Provide monthly SLA compliance reports, monitoring and maintenance related MIS reports by the 5 th of the following month. Severity of Violation: Medium This service level will be monitored on a monthly basis. If the monthly SLA compliance report related to the service level metrics is not provided in the given timeframe, it will be treated as one (1) instance. The total number of instances for the Three-month period will be the cumulative number of instances across all the months in the Three-month period	
	Total number of instances over the Six-monthly period	Violations for calculation of penalty
	>0 & <=3	1
	> 3	2

8. Violations and Associated Penalties during the AMC/ Operation & Maintenance Phase:

(a) The primary intent of Penalties is to ensure that the system performs in accordance with the defined service levels. Penalties are not meant to be punitive or, conversely, a vehicle for additional fees.

(b) Penalty Calculations: The framework for Penalties, as a result of not meeting the Service Level Targets are as follows:

- i. The performance will be measured for each of the defined service level metric against the minimum / target service level requirements and the violations will be calculated accordingly.
- ii. The number of violations in the reporting period for each level of severity will be totaled and used for the calculation of Penalties.
- iii. Penalties applicable for each of the high severity violations is one 1 % of respective six monthly payment to the SI.
- iv. Penalties applicable for each of the medium severity violations are 0.5 % of respective six monthly payments to the SI.
- v. Penalties applicable for not meeting a high (H) critical performance target in two consecutive quarterly on same criteria shall result in additional deduction of 3% of

RFP for selection of System Integrator: CCTNS Odisha

the respective six monthly payment to the SI. Penalty shall be applicable separately for each such high critical Activity

- vi. Penalties applicable for not meeting a medium (M) critical performance target in two consecutive quarterly periods on same criteria shall result in additional deduction of 2% of the respective quarterly payments to the SI. Penalty shall be applicable separately for each such medium critical activity
- vii. There will be capping of 10% penalty for quarterly payment and will be increased to 15% if not resolved in two consecutive quarter.
- viii. The penalty for the violation of the SLA during a particular review period in the implementation/ O & M phase should not exceed a maximum of 10% of the total contract value. Further, the total penalty amount of three consecutive quarters should not exceed 15% of the total contract value of that period. In case if the total penalty in three successive quarters exceeds 15% of the total contract value then the state shall have the right to terminate the contract due to poor service quality.

RFP for selection of System Integrator: CCTNS Odisha

Detail Qualification, Requirement, Experience and Skills of Resources

Sl. No.	Minimum Criteria and Desired Skill set
1.	<p>Project Manager</p> <p>i. B.Tech/ BE/ MCA(Or Equivalent), MBA with PMP, Prince2, ITIL with technical certificates having minimum 10-12 years of experience in IT/ Software development/ IT System Projects</p> <p>ii. Should be on payroll of the bidding company</p> <p>iii. He/ She should have the expertise in the following areas;</p> <ul style="list-style-type: none"> • Experience in project management, application design, development/ customization/ operation and support for managing large size team for at least the last 4 years • Involved in implementation of at least 3 State/Central Govt. projects and at least one Police/ Justice project with full life cycle • Should prepare and review Project documents • Expertise in Third Party integrations • Able to co-ordinate with different stake holders for requirements and UAT • Experience in development or management of Web Application, Mobile Applications, Databases, State Data Centre etc. <p>**Experience on .Net framework and CCTNS Project is preferred.</p>
2.	<p>Senior Software Engineer (CAS Application Resources)</p> <p>i. B.Tech/ BE/ MCA with minimum 6 years of experience in development in IT/ Software development/ IT System projects.</p> <p>ii. Should be on payroll of the bidding company</p> <p>iv. He/ She should have the expertise in the following areas;</p> <ul style="list-style-type: none"> • Hands on experience in Windows platforms and Microsoft Technologies like asp.net, C+, LINK, WCF, Ajax, Angular JS, MVC, Entity Frameworks etc. • Expertise in documentations like FRS, SRS, HLD, LLD, Traceability Matrix etc. • Strong experience in application of UML, Design patterns in design of solutions • Conversant with Technology platforms such as .Net, SQL Server, Ajax, Angular JS, MVC • Strong Database Skills including SQL Server etc. • Conversant with the latest technological developments including SOA and Agile • Conversant with SSRS/ BI Tools • Conversant with BPM & Portal Suite of products • Conversant with platforms, tools and frameworks used in Application development • Experience in the use of software development best practices, tools and technologies • Experience to identify performance, reliability, security and integration bottlenecks and suggest recommendations • Expertise in REST API Integration <p>**Experience in CCTNS Project is preferred.</p>
3.	<p>Network Administrator</p> <p>i. B.Tech/ BE(Computer Science/IT) of MCA with at least 6 years of experience in installation, configuration and maintenance of networks (LAN and WAN of 500+ users) including IT infrastructure, network cabling and other related equipment.</p> <p>ii. He/ She should have the expertise in the following areas</p> <ul style="list-style-type: none"> • Plan and implement network security, including building firewalls, applying cryptography to network applications, managing host security, file permissions, access control, backup and disaster recovery plans, file system integrity and adding and deleting users. • Monitor network performance and troubleshoot networks at the time of malfunctions such as poor performance or network crashes. • Perform regular security monitoring to identify and possible intrusions.

RFP for selection of System Integrator: CCTNS Odisha

	<ul style="list-style-type: none"> • Investigate user problems, identify their source, determine possible solutions, test and implement solutions. • Anticipate communication and networking problems and implement preventive measures. • Investigate, recommend and install enhancements and operating procedures that optimize network availability. • Maintain confidentiality with regard to the information being processed, stored or accessed by the network. • Evaluate and/ or recommend purchases of network hardware, peripheral equipment and software. • Document network problems and resolutions for future reference. • Must have valid CCNA/ MCSE/ CAN or any other major network OEM certificate
4.	<p>Database Administrator</p> <ol style="list-style-type: none"> i. BTech/ BE(Computer Science/IT) or MCA with at-least 5 years of experience as a database expert. ii. He/ she should have the expertise in the following areas. <ul style="list-style-type: none"> • Build and manage database schema, tables, procedures and permissions • Knowledge of PL/ SQL programming • Maintain data standards • Control access permissions and privileges • Analyse, consolidate and tune database for optimal efficiency and preventive maintenance as required. • Develop, manage and test backup and recovery plans and ensure they are functioning correctly • Implement and monitor data security and encryption • Perform daily backup operations, ensuring all required data are successfully backed up to the appropriate media, recovery tapes or disks are created and media is recycled and sent offsite as necessary. • Write database documentation, including database architecture, data standards, procedures and definitions for the data dictionary. • Develop database utilities and automated reporting 12. Create shell scripts for task automation. • Install and test new versions of the database management system(DBMS) as and when required with minimum downtime • Storage management including installation and configuration and configuration of the storage system, management of storage environment to maintain at desired optimum levels, development of storage management policy, configuration and management of disk array, SAN fabric/ switches, tape library etc. configuration of SAN 1 • Work closely with IT project managers, database programmers and web developers • Communicate regularly with technical, applications and operational staff to ensure database integrity and security • Support for commissioning and installing new applications • Supervise, coach and mentor support resources • Good communication skill to report to top management • Should have experience of implementing appropriate security standards • Must have expertise on MS SQL SERVER Database Administration, Experience on open source database such as MySql will be an added advantage.
5.	<p>System Administrator</p> <ol style="list-style-type: none"> i. BTech/ BE With At-Least 5 Years Of Experience As A System Administrator On A Large/ Medium Sized Networks Of Servers, Desktop Systems And Communications Devices Using Current Technologies In High Availability In-Premise. Cloud Environment

RFP for selection of System Integrator: CCTNS Odisha

- ii. He/ She Should Have The Expertise In The Following Areas;
- Effective Provisioning, Installation/ Configuration, Operation And Maintenance Of Systems On Windows Platform. Experience On Linux Environment Will Be An Advantage.
 - Hardware And Software And Related Infrastructure Support
 - Configuration Of Server Parameters, Operating Systems Administration And Tuning
 - Operating System Administration Including But Not Limited To Management Of Users, Processes, Resource Contention, Preventive Maintenance And Management Of Upgrades Including Migration To Higher Versions And Patches To Ensure That The System Is Properly Updated
 - Monitoring Of Various Devices/ Tools Such As Firewall, Intrusion Detection, Content Filtering And Blocking Virus Protection And Vulnerability Protection Through Implementation Of Proper Patches And Rules.
 - Root Domain Administration By Creating The Root And Sub-Domains And Setting The Root Level Security Policies Such As Authentication Mechanisms(Single/Multi Actor), Password Policies Such As Password Length, Passwords Complexity, Password Expiry, Account Lockout Policy, Certificate Policies, Ipses Policies Etc.
 - Periodic Reviews Of Domain Level Rights And Privileges
 - Maintenance Of An Updated Knowledge Base Of All The Published Security Vulnerabilities And Virus Threats For Related Software And Microcode Including, But Not Limited To Operating Systems, Application Servers, Web Servers, Databases, Security Solutions, Messaging Solutions Etc.
 - Ensuring That Patches/ Workarounds For Identified Vulnerabilities Are Patched/ Blocked Immediately.
 - Responding To Security Breaches Or Other Security Incidents And Coordinate With Respective OEM In Case Of A New Threat Is Observed To Ensure That Workaround/ Patch Is Made Available For The Same.
 - Undertake Maintenance And Management Of Security Devices, Including But Not Limited Maintaining Firewall Services To Restrict Network Protocols And Traffic, Detecting Intrusions Or Unauthorized Access To Networks, Systems, Services, Applications Or Data, Protecting Email Gateways, Firewalls, Servers, Desktops From Viruses.
 - Implementation And Periodic Updation Of The Security Policy
 - End-To-End Management Of Messaging Systems Including But Limited To;
 - Administration Of Mail Servers
 - Monitoring Performances And Management Of User Account, Mail Boxes, Post Office And Address Book
 - Backup And Archival Management. Transaction Log Management.
 - Implementation Of Mail Policies, Including But Not Limited To User Security, Access Control, Encryption, Mailbox Sizes, Spam, Content Filtering Etc.
 - Management And Monitoring Mail Queues, Mail Routing Of Incoming And Outgoing Internet Mail
 - Perform Daily System Monitoring, Verifying The Integrity And Availability Of All Hardware, Server Resources, Systems And Key Processes, Reviewing System And Application Logs And Verifying Completion Of Scheduled Jobs Such As Backups, Monitoring Cpu, Disk Space, Memory Utilization, I/O Utilization Etc.
 - Perform Daily Backup Operations, Ensuring All Required File Systems And Systems Data Are Successfully Backed Up To The Appropriate Media, Recovery Tapes Or Disks Are Created And Media Is Recycles And Send Off Site As Necessary.
 - Upgrade Administrative Tools And Utilities
 - Configure/ Add New Services As Necessary
 - Adhere To And Champion The Itil Based Principles Established For

RFP for selection of System Integrator: CCTNS Odisha

	<p>Problem, Change And Asset Management. Effectively Utilize The System Management Tools Available To Support The Principles.</p> <ul style="list-style-type: none"> ➤ Fulfill Service Level Agreements With Respect To Availability, Performance, Capacity And Security And Suggest Future Requirements To Maintain Acceptable Performance Levels And Accommodate Traffic Growth. ➤ Re-Installation In The Event Of System Crash/ Failures. ➤ Periodic Health Check Of The Systems, Troubleshooting Problems, Analyzing And Implementing Rectification Measures, Coordinate And Communicate With Impacted Constituencies. ➤ Prepare And Update Inventory Of All Hardware And Software Resources. <ul style="list-style-type: none"> • Must Have Systems Administration/ System Engineer certification from Cisco, Open source/ Microsoft and other relevant technology.
6.	<p>Helpdesk Support-Help Desk Management</p> <p>Each resources should have at least one following skill set</p> <ol style="list-style-type: none"> i. BE/ BTech/ MCA/ MBA/Diploma(Tech) with at least 5 years of experience ii. He/ she should have the expertise in the following areas; <ul style="list-style-type: none"> • Should experience on Java/ .Net • Should have excellent communication skills • Should have good analytical skills • Should have knowledge on PL/ SQL • Co-ordinate between backend team and end users • Maintain SLA reports and ticket reports on daily/ weekly/ quarterly basis • Should provide L1 Application support
7.	<p>Testing Engineer</p> <ol style="list-style-type: none"> i. BTech/ BE/ MCA with minimum 6 years of experience in development in IT/ Software development/ IT System projects. ii. Should be on payroll of the bidding company iii. ANNEXURE-E : Payment Milestones and deliverables

(a) Payment for **the AMC of DC & 862 Client locations**: The successful bidder will sign a Service Level Agreement (SLA) with Odisha Police covering all the required services. The total contract of Comprehensive warranty will be equally divided into 20 Quarterly payments. The payment will be made on completion of each quarter. The relevant documents and sign off has to be submitted for release of payment for each deliverables.

Milestones	Period	Amount
1 st Quarter		
2 nd Quarter		
3 rd Quarter		
4 th Quarter		
.....		
20 th Quarter		

Following table details the key project milestones and the deliverables to be submitted by the selected bidder at each milestone:

Activities	Deliverables	Frequency
Quarterly payment for AMC shall be made on submission of invoice/bills in triplicate within 30 days from the date of completion of the quarter.	<ol style="list-style-type: none"> Any support and maintenance carried out by bidder will be taken in sign off report to be signed by PS/ DeMT for release of six monthly payment at the end of every quarter. SLA report needs to be submitted on monthly basis by the successful bidder. The invoices for payment should be submitted in triplicate for the quarterly payment. 	Quarterly
Regular supervision, monitoring and extending support to department for smooth functioning of project/ Helpdesk support, etc.	Reports, completion, SOPs, Manuals.	On completion/ as per the requirement of the State.
