

POLICE CIRCULAR ORDER No. 110

Investigation of
important
cases by Circle
Inspector.

It has come to notice that some S.-Is. are sending requisitions to their Circle Inspectors to take up the Investigation of important cases without doing anything themselves by way of investigation after receiving the F.I.R. This is a serious irregularity. In para. 2 of Police Order No. 4 of 1955, it has been clearly stated that as soon as F.I.R. is received the Circle Inspector should himself decide whether he should himself take up investigation. The S.-Is. should, therefore, take up and continue investigation of all cases until the Circle Inspector takes over the investigation. Any negligence on part of the S.-Is. in this respect should be severely dealt with.
