

POLICE CIRCULAR ORDER No. 13

Remuneration
of village
Chaukidar.

Instances of serious delay in applying to this office for sanction for the remuneration to the village police under Police Manual Rule 861 (d) have been brought to my notice. Your attention is drawn to Police Manual Rule 861 (a) where it is laid down that rewards to the rural police to be effective should be given with the utmost promptitude. In some cases applications have been made to this office for rewards under Police Manual Rule 861 (d) six months after the duty was performed.

2. Applications for sanction for remuneration to the village police for duty performed in a particular month should be submitted to this office by the following month without fail. If for any reason it is not possible to do so, full reasons should be given in the application.
