

POLICE CIRCULAR ORDER No. 142

Purchase of
steel
furnitures.

Instances have come to the notice of this office that every year a number of steel furnitures are being purchased by the Heads of district/establishments incurring a heavy expenditure from the C. C. grant placed at their disposal.

Since this is likely to be objected to by the Audit and Finance Department, Inspector-General desires that prior permission should be obtained from this office hence forward for making such purchases in future.

It is, therefore, impressed upon all concerned that the purchases of steel furnitures should not be done without obtaining prior permission from this office. This is necessary as per item 33 of Appendix 5 of the Orissa General Financial Rules, Vol. II.

(Previous Police Circular Order No. 5 of 1961)
