

**POLICE CIRCULAR ORDER No. 145**

It has come to notice that constables, both A. P. R. and O. R. are moving about with incomplete uniform. The constables are found without shoes/boots, even while on duty. A complete and smart uniform is an index to efficiency of the force. I would, therefore, like you all to ensure that the force, particularly constables are issued with the complete set of uniform prescribed for them and that replacements are made in time. Roaming about by the constables with incomplete uniform should be sternly discouraged.

Issue of  
clothing to  
the force.
