

POLICE CIRCULAR ORDER NO. 266/87

SUBJECT :—Mention of details of Insurance Certificate of vehicles involved in accidents in the seizure list instructions thereof.

It has been brought to notice by the Member-Secretary of the Orissa Legal Aid and Advice Board, Cuttack and the Director of Public Prosecutions, Bhubaneswar that due to non-mentioning of the details of Insurance Certificates by the I.Os. in the seizure lists prepared in course of investigation of cases of motor vehicle accidents, a lot of difficulties are being experienced by the parties concerned, in getting compensation in claim cases.

It is therefore ordered that the I.Os. should mention the (1) number of Insurance Certificate, (2) last date of its validity, (3) name of the Insurance Company and (4) the registered number of the vehicle in the seizure lists prepared by them whenever the document is seized during investigation of accident cases.

All Supervising Officers should ensure that this order is strictly followed by all I.Os.
