

## **POLICE CIRCULAR ORDER No. 52**

Preventive  
measures  
against  
Venereal  
diseases

Under clause (1) of paragraph 2 of the Police Circular No. 12 of 1949 on the above subject all men, who have had or get 3 infections of V.D. should be removed from the force.' Since it is not always possible to know if a man had 3 infections of Venereal Disease during his service, it is hereby directed that an entry in the Service Book of the man should be made each time he is found to be infected with the disease.
