

POLICE CIRCULAR ORDER No. 92

Training of
clerks in
Motor
Vehicle
Section.

In order to encourage more clerks to learn work in Motor Vehicle Section, it is now considered necessary to allow the existing Motor Vehicle Clerks who have completed three years in that branch, to exchange place with another senior clerk. As Motor Vehicle Clerks handle valuable securities and stamps it is desirable that they should not be at the same seat for more than three years like Head Clerk/Accountants, vide P.M. Rule 778 (b). The Superintendents of Police may change them round earlier, if they, consider such a step necessary.
