

POLICE CIRCULAR ORDER No. 96

It has been observed that house rent is not being realised regularly from the rent paying officers occupying Government quarters. Government desire that in future house rent must be recovered regularly from all except those who have been specifically exempted. If exemption from payment of house rent is proposed in any case, Government orders should be awaited before stopping collection of rent.

Regular recovery of house-rent from the rent-paying officers.

(Previous Police Circular Order No. 15 of 1954)
