

**POLICE ORDER No. 12**

Precaution  
against loss  
or deteriora-  
tion or buil-  
ding mate-  
rials pur-  
chased for  
work in  
progress or  
collected  
before hand.

The attention of all officers is drawn to rule 360 of the Public Works Department Code. Superintendents of Police are to take special care that, when any building work is in progress, building materials should be purchased only to the extent immediately required.

2. In the event of any special necessity for materials having to be collected before hand, the permission of the Inspector-General should invariably be taken. Such materials should then be kept in a sufficiently safe place and under proper watch to ensure that none disappear or deteriorate loss or deterioration should at once be brought to the notice of the Superintendent of Police who will inform the Inspector-General.
