

**POLICE ORDER No. 84**

Forwarding  
of applica-  
tions of  
Ministerial  
or other  
officers for  
appointment  
in other  
Depts. or  
offices.

Recently several instances have come to notice when applications of ministerial or other officers for appointment in other departments or offices, have been forwarded by the head of the office concerned direct. In one instance the forwarding has been done not by the head of office himself but by a subordinate. This procedure is not only irregular, but also against the existing rules on the subject, which require all such applications to be forwarded through the head of the department. It is, therefore, ordered that henceforward all such applications should be forwarded to this office for necessary action.

(Previous Police Order reference No. 10 of 1952)
